

The "college-ready" levels of placement are English-1A for English and Math-120 or higher for mathematics. Students with NO assessment who were new in the report term are not included in this report.

**Daily Active Fill Rates, Enrollment and Section Totals for 2009
by Location, Division and Department**

Fall Term

Early Morning	Before 10:00AM	Evening	5:30PM and after
Prime Time	Between 10:00AM and 2:30PM	Weekend	Saturday or Sunday
Late Afternoon	Between 2:30PM and 5:30PM	TBA	No scheduled start time

Certain sections had multiple meeting ID's. To avoid double-counting sections, we prioritized the meeting times as follows and assigned the sections to the highest weighted categories. For example, a section might meet on Tuesday at 10am, then again on Thursday at 6pm and then again on Saturday at 12pm. In this case, it would be considered a Weekend section.

1. Weekend
2. Evening
3. Late Afternoon
4. Early Morning
5. Prime Time

"TBA" courses did not have an assigned start time or meeting day. For any questions regarding this report, contact Zach DeLoach at 476-4268. Additional criteria include that the course status is "Active"

ADDITIONAL NOTES:

This report shows the enrollment figures and fill rates as of the Census Date for the given term. However, it excludes students who have successfully petitioned to drop a course after the Census Date without receiving a "W" between the census date and the report date above.

"Alternate Locations" is a new term to include the Eureka Downtown Off-Campus locations.
