**Setting up  
an Email  
Account**

If you do not currently have an email address through an Internet provider such as American Online, Cox Communications, Earthlink, or other local companies, you can set up a free email account at either of the following Websites.

Once you set up an account you can login and access your email from any Internet-connected computer with a Web Browser such as Internet Explorer.

**Follow the directions provided at these sites to establish a Web-based email account for you to use for school and personal communications.**

See additional information at each site about features of these free email account providers.

**YAHOO! MAIL** Yahoo-<http://www.yahoo.com>

Go to “My Mail” and proceed to the [Sign Up](#) icon located below the “sign in” box to set up an account.

**Hotmail:** Go to [www.msn.com](http://www.msn.com) and click on the [hotmail](#) icon. Click on sign up box to set up an account.

**Gmail:** Go to [www.gmail.com](http://www.gmail.com) and click on the [sign up for gmail](#) icon below the “sign in” box to set up an account.

NOTE: All computers in the College of the Redwoods Learning Resource Center and Computer Labs will allow you to access your Web-based email.
