

Vaccination Signature Form

****Please See attached: Off to College?, State Health Officer Urges Immunization against Mumps**

Before you start college, make sure you are up-to-date on all your immunization: measles, mumps, rubella; and hepatitis B. Get the meningococcal vaccine if you will be living in a dorm.

Colleges and universities may require some of these for admission.

Look for more information:

Center for Disease Control and Prevention: www.cdc.gov

American College Health Association: www.acha.org/info_resources

Students in On-Campus Housing:

I have received this information and....

I **intend** to receive meningococcal vaccine.

I **do not intend** to receive meningococcal vaccine
