

## **GAMMA RHO CHAPTER (AGS)**

### **Executive Meeting Minutes 09/14/02**

Time: 16:30 – 17:30

Place: Marie Callender's restaurant, Eureka

In Attendance: Mj Goble-President, Charlotte Peters-Secretary

#### **President's Report:**

1. Mj talked about participating in a food drive for the non-profit organization, Food For People, Inc.
  - a. AGS could help collect food for the organization by placing barrels around the campus and collecting the food. We could have a friendly competition between staff, faculty, administration, and students to see who contributes the most food.
  - b. Mj could look into reserving the display case in the Forum breezeway to display the collected food.
2. Ideas were presented about what to display at the membership booth and a tentative schedule was set for the days the membership drive would happen.

#### **Secretary's Report:**

1. Charlotte discussed having a custom logo made for the Adopt-A-Highway sign. Should we use the AGS shield or the AGS Greek symbols?
  - a. The Adopt-A-Highway coordinator has referred to the chapter as a fraternity. Mj has contacted some of the AGS state board members to see if we are a fraternity. The board members have said AGS is not a fraternity; AGS is an honor society.
2. California Coastal Clean Up Day is coming soon. A list of participating members was assembled. A poster should be made announcing Gamma Rho's participation in the Coastal Clean Up. Clean Up instructions and directions will be emailed to members.
3. There seems to be an interest in doing dunes restoration work with Friends of the Dunes. More information will be collected on dates and locations and then a schedule will be created for members interested in dunes restoration.
