

INSTITUTIONAL OBJECTIVES

Redwoods Community College District implements its institutional philosophy and mission with the following objectives; College of the Redwoods deems it necessary:

1. To offer experience which will stimulate a desire for lifelong learning.
2. To provide instructional programs which will facilitate transfer to four-year institutions, completion of an A.A. or A.S. Degree or preparation for vocational fields.
3. To have the underrepresented groups within the District represented in all aspects of student life in proportion to representation in the total District population, and to encourage student awareness of their role as responsible global citizens.
4. To encourage students to integrate learning with their lives as individuals and as community members and to establish high moral and ethical values.
5. To provide service and to create an environment which will help faculty teach effectively.
6. To provide a total range of services which will assist students attain maximum value from the instructional programs and assist them in meeting their educational goals.
7. To create and implement staff development programs and procedures which will ensure a staff of the highest quality.
8. To provide a physical campus environment conducive to maximum use by students, staff, and the community.
9. To initiate and maintain a systematic and effective program of public relations and public information.
10. To actively encourage innovation and constructive participation in college life by all segments of the college community.
11. To establish and maintain dialogue with the community in matters of mutual concern and interest.

12. To maintain a sound financial base for college operations.
