Student Applicant: Please answer the following questions.

What changes are you willing to make to excel at Academy of the Redwoods?

Academy of the Redwoods combines high school and college. In what ways are you are mature enough to handle high school and college classes in a college atmosphere?

Why do you believe you are the right student for Academy of the Redwoods?

At the Academy we expect students to demonstrate Respect (honoring people's choices), Responsibility (seeing self as cause not a victim), Responsiveness (acting for the good of the whole), and Resourcefulness (taking effective action). Describe how these expectations will challenge you.

Forms to include with this application

1. Statement from current or last math teacher stating what math has been completed and what math he/she recommends that the student take next.
2. A copy of student's latest transcript.

Student Statement: Complete a one-page handwritten statement in response to the prompt below.

Being successful at Academy of the Redwoods will require students to be **creative, persistent, open to new challenges, and able to work productively with others**. With these traits in mind, describe an activity or event (not necessarily school related) in which you demonstrated some or all of the traits listed above. Tell us why the activity or event was important to you and how it evolved from beginning to end.

The purpose of your statement is for the teachers to understand more about you and what you might contribute to the school. We also consider the statement a reflection of your ability to reflect, organize your thoughts, and take responsibility to complete an important project.

You may discuss your ideas with anyone prior to writing the statement. However, the statement must be written entirely by you without assistance from anyone. We suggest that you produce several drafts before writing the final copy.
