Resources for Educational Planning

How to find out courses you need for your Associate Degree or Certificate:

Webadvisor.redwoods.edu

Find general education and degree requirements all in one place on your ***WebAdvisor*** account under ***Academic Planning>Program Evaluation.*** You can either view what you need for an assigned program, or find out what you would need for a different major and/or type of general education pattern by choosing from one of the several programs we offer under the ***What If*** drop down.

www.redwoods.edu/academic

Under the ***Academics*** link near the top of CR's home page, click ***Divisions & Departments*** to explore areas of study at CR. To view all degrees, click on ***Degrees & Certificates***. Follow the links through each degree to see program requirements.

How to find what you need for General Education:

www.redwoods.edu/degrees

In the blue box titled ***Counseling Forms***, you can find links the three general education patterns used to fulfill your degree requirements and to guide you toward successful transfer. Make sure to check back on your GE pattern ever year to make sure your GE course choices are still current.

www.redwoods.edu/Academics/Catalog

The general education requirements for AS degrees and transferring to four year universities can be found in the catalog under **Academic Standards > (CR or CSU) General Education Requirements**. The catalog is also where you can find information about all of the degrees and certificates offered at CR, as well as course descriptions, academic regulations, expectations, and supportive programs. Make sure to check back on your GE pattern ever year to make sure your GE course choices are still current.

How to find what classes you need for transfer:

www.assist.org

If you are planning to transfer other CSUs or a UC, become familiar with this site! Use the ***"Transfer Information"*** drop downs to find major prep courses, articulation agreements, and admission requirements for all the UC and CSU campuses and majors. Combine the information you find here with the GE patterns and requirements for our Liberal Arts or Associate Degrees for Transfer to get an Associate Degree at the same time you are ready to transfer to the next school.

Two other important things to know:

Important petitions and deadlines for receiving your degree:

In order to receive your degree, you are responsible for notifying the college through a simple petition the semester you plan to complete your program of study. Graduation petitions are found on the CR website under ***Admissions and Records> Forms>Graduation Forms> Graduation Petition or Certificate Petition***.

Fall petition deadline- Last Thursday of Oct
Spring petition deadline - First Thursday in March
Summer petition deadline - Last Thursday in June

Important California University Application Deadlines:

Fall CSU Applications: Apply to CSUs in the Fall to attend the following Fall: Oct 1-Nov 30 (www.calstate.edu/apply)
Fall UC Applications: Apply to UC in the Fall to attend the following Fall: Nov 1-30 (http://www.universityofcalifornia.edu)
Spring/Winter Applications: Many CSUs accept spring applications between Aug 1-Aug 31st. Check Cal State Apply or call the schools' admissions department to see if your school accepts admissions in semesters other than Fall.
