

Foreign Transcript Evaluation Services

Individuals who have completed college or university course work at an institution in a country other than the United States must obtain a complete evaluation of foreign transcripts, degrees and other relevant documents. A foreign transcript evaluation is required any time foreign course work is used to meet minimum qualifications and/or salary placement, even if the foreign transcript has previously been accepted by a different college or university in the United States.

The following institutions provide foreign transcript evaluation services and charge a fee. College of the Redwoods does not promote or approve any of these agencies. This is provided only as a possible source.
