Their dining hall is closed. No group activities are currently taking place.

I (Barbara Walser) am forwarding this information as there has been some misinformation regarding the home delivered meals program. At this point we are not enrolling anyone new into the home delivered meal program.

Arcata change is effective Wednesday, March 25th.

Fortuna change is effective Thursday, March 26th.

Food for People (New location is 2112 Broadway, Eureka, Ca.) **NOTE CORRECTED INFO!!!!**

There is NO first come, first serve at the Eureka Pantry! We are asking people to make appointments by calling 407-0447. The Pantry is open Tuesday, Wednesday and Friday 11-3 at 2112 Broadway in Eureka. We start taking calls on Mondays for appointments that same week. We will do our best to

accommodate those who are unable to make appointments but our priority is to serve those with appointments first. If anyone has questions, please call the pantry directly for information. We realize this may be confusing but we've had to change our protocols to more effectively manage the flow of people including social distancing and having people remain in their cars (if they are driving) until we can serve them. The number of people requesting food is rapidly growing and we're doing our best to keep everyone safe and still serve as many people as possible. We hope our partners will help us share that message with the people we all serve. I know we all want to do everything possible to keep our clients, staff and volunteers safe! Listings of other pantry sites countywide and their hours of operation can be found at our website www.foodforpeople.org.
