

Report of Professional Development Work – Fall 2016

General Administrative Accomplishments:

- Secured dedicated email address for use in all Professional Development-related work: pd@redwoods.edu
- Updated and streamlined PDC webpage to include easy-to-navigate links to online Professional Development resources, direct contact links to request specific training or to offer to provide a session, and more prominent calendar of Professional Development offerings.
- Deployed Professional Development Needs Assessment Survey to all constituent groups; scheduled planning meeting for January flex session to analyze survey results.
- Built collaborative relationships with campus leaders in assessment, distance education, and student equity to coordinate and support professional development offerings related to those areas.
- Notified all District personnel of availability of the Professional Learning Network's suite of online training modules, resources, and support material. Provided access instructions to this Chancellor's Office-supported resource.
- Began process of re-integrating Professional Development into Human Resources Office.
