## College of the Redwoods Fall 2018 Convocation

**1:15 – 2:25pm**                      **Best Practices for Dealing with Students with Learning Disability and/or Mental Health Issues**                      **HU 129**  
*Trish Blair*

Many students attending community college are students with disabilities. College of the Redwoods has an especially high number. Learning disability and mental health issues are the two most commonly encountered disabilities. In this session you will hear about some of the challenges as well as useful strategies when dealing with students with students with learning disability. Also, best practices will be discussed when dealing with our large number of students with mental health issues. This session will be useful for both staff and faculty.

**1:15 – 2:25pm**                      **ACCJC Update**                      **HU 112**  
*Gohar Momjian*

The accredited status of College of the Redwoods is of extreme importance to our community and the long term health of the District. In fall 2017, The Accrediting Commission for Community and Junior Colleges implemented a “portfolio model” where CR was assigned Gohar Momjian, a Vice President at ACCJC, to serve as a staff liaison with the Commission. Ms. Momjian’s work with CR is essential to our ability to meet and exceed all accreditation standards and eligibility requirements. Ms. Momjian will lead a workshop to discuss the accreditation standards and how the Commission is changing to help California Community Colleges improve.

**2:30 – 3:40pm**                      **eLumen for Curriculum Management**                      **HU110**  
*Courtney Loder and eLumen Staff*

Get a sneak preview of our new curriculum management system! All curriculum proposals will transition to the eLumen system during the 2018-2019 Academic Year (exact timing still TBD). eLumen will streamline the submission, review, and tracking of curriculum proposals—allowing us to focus on content and saving valuable time for everyone involved!

Join the CR Curriculum Specialist and eLumen staff to see what submitting course proposals will look like. We will give a guided tour of our system, demonstrate how the most common curriculum proposals work, provide more information about transition timing, and answer any and all questions you may have.
