

High School Completion Status

Students who are under 18 years of age who have not earned a high school diploma or its equivalent will only be admitted in accordance with the "concurrent enrollment" procedures, or have completed high school via a qualifying completion method.

Student Name:

Last

,

First

MI

Student ID#:

DOB: / /

Examples of qualifying completion methods are listed below.

- have a high school diploma (the Certificate of Completion is not a high school diploma)
- have the recognized equivalent of the high school diploma, such as a GED certificate*
- have a State Certificate of Proficiency
- have completed secondary school in a home school setting that is recognized under State Law

For Students 18 years of age and under that have recently graduated from high school, received a GED or completed home schooling, please check the appropriate radio button and fill in information below:
