

COLLEGE OF THE REDWOODS

Board of Trustees

Goals 2019-2021¹²

1. Maintain focus on the newly implemented Student Centered Funding Formula by:
 - a. Ensuring that the District's budget addresses the categories of funding in the new state funding formula.
 - b. Receiving regular reports regarding the District's strategies and progress in dealing with the new funding formula.
 - c. Providing advocacy for legislative efforts to correct problems in and improve the new funding formula.
2. Provide support to ensure continuing progress in equity in student outcomes with special emphasis on:
 - a. Continuing support for programs that address student basic needs (e.g. Food Pantry, residence hall scholarships).
 - b. Increasing diversity in staffing all open positions through appropriate processes.
 - c. Review mission, vision and board policies in the 1000's and 2000's through a lens that reflects equity and inclusion.
3. Ensure fiscal responsibility with special emphasis on:
 - a. Maintaining a balanced General Fund with reserves that are in compliance with board policy.
 - b. Monitoring and supporting adequate funding of future pension liabilities.
 - c. Monitoring progress to ensure a revenue stream for continuing operation and maintenance of district capital projects.
 - d. Maintaining an advocacy effort at the state level to preserve and enhance funding of community colleges.
4. Continue to support the interest-based approach to institutional problem solving including collective bargaining.
5. Continue to support a culture of inquiry by evaluating data on a regular basis to ensure monitoring of the way in which data influences decision-making to best support student success and enrollment priorities.
6. Support, through policy all accreditation efforts as well as adherence to all ACCJC standards and commission policies.
7. Monitor trends in community college education in planning for the future of College of the Redwoods with special emphasis on creating a vision for the District's future competitive advantage.
8. Continue to support the development of Trustees' professional skills and knowledge.
9. Monitor and support the progress of the CR Foundation in meeting its goals.
