ADMISSIONS

The Manager of Admissions and Records, under the direction of the Chief Student Services Officer, has designated authority and responsibility for District admission procedures.

Persons eligible for admission:

1. Any person possessing a high school diploma or its equivalent.
2. Other persons who are over the age of 18 years and who, in the judgment of the President/Superintendent or his or her designee are capable of profiting from the instruction offered. Such persons shall be admitted as provisional students, and thereafter shall be required to comply with the District's rules and regulations regarding scholastic achievement and other standards to be met by provisional or probationary students as a condition to being readmitted in any succeeding semester.
3. Persons who are apprentices as defined in Section 3077 of the Labor Code.

All students must complete an application to be admitted to the college. Applicants may apply for college admission on-line by going to the College of the Redwoods website or by completing a paper New Student Application Form.

Admission of all students includes determination of residency in the State of California.

Students who are under 18 years of age who have not earned a high school diploma or its equivalent will only be admitted in accordance with the “concurrent enrollment” procedures (see Administrative Procedure AP 5011).

International students must complete a special application that will be provided upon request from the Admissions and Records Office (see Administrative Procedure AP 5012).

Specific and current admission procedures are published in the schedule of classes, catalog, and the college web site.
