### IMPORTANT INFORMATION:

Courses on the list on page 25 are approved for a specific academic year, which begins with the Fall 2018 semester.

The general education courses listed for the CSU system are specified within subject areas that satisfy lower division general education requirements for the CSU campuses. Students wishing to use a course to fulfill a CSU General Education requirement must be sure that the course is approved for the academic year in which it is taken. The CSU general education form changes each year. It is advised that students meet with a counselor regularly to review any changes. A course must be on the CSU GE Breadth during the term in which it is taken. If a course is taken before it is approved for inclusion, or after it is removed from the list, it cannot be used to meet the area requirement.

#### Minimum admission eligibility for upper division transfer applicant:

- (1) completion of at least 60 CSU transferable units with a minimum GPA of 2.0;
- (2) a minimum of 30 lower division units of General Education/Breadth within the total 60 CSU transferable units completed; and
- (3) completion of areas A1, A2, A3 and B4 with a grade of "C" or better.

#### Associate Degrees for Transfer (AD-T) to CSU:

- (1) Complete 60 semester (90 quarter) CSU transferable units with a minimum GPA of 2.0;
- (2) Complete a minimum of 18 units in an approved associate degree for transfer major;
- (3) Complete all courses required in the major with a "C" or "P" or better;
- (4) Complete the CSU-GE or CSU-IGETC\* general education pattern

\*The associate degree for transfer can be awarded to students completing the UC-IGETC general education pattern, but completion of this pattern will not satisfy CSU admission requirements

**CSU GE Breadth certification** is available to community college transfer students who satisfy the general education requirements in each area. "Certification" means that CR has verified that a student has completed the lower division General Education requirements listed in each area of the CSU GE Breadth. Certification does not guarantee admission or admission eligibility. Students with full CSU GE Certification will only be responsible for an additional 9 semester units of upper division general education at the CSU campus. CSU Certification is not required and is not automatic; it must be requested by the student at the time the final official transcript is sent. Without certification, the student will be held to the specific general education requirements of the CSU campus of choice.

Students who have taken courses at other colleges can have these courses "passed along" in the certification process. College of the Redwoods will certify courses taken at other California Community Colleges in the areas designated by the offering college. Courses taken at California four-year colleges, or accredited out-of-state two-year, or four-year colleges, will be evaluated by the CR Admissions Office Evaluators. Courses from foreign institutions cannot be used in the certification process. Students requesting CSU GE "pass along" certification must complete at least 12 units in residency at College of the Redwoods.

#### EXTERNAL EXAMINATIONS APPROVED TO CLEAR SPECIFIC CSU GE AREAS:

Advanced Placement (AP), International Baccalaureate (IB) and College Level Examination Program (CLEP). See the current College of the Redwoods catalog pages regarding these exams that indicate equivalent general education area or elective units that could apply with appropriate scores. (Examinations may also be included in the CSU GE Certification).
