

2019-2020 Academic Year

Dear Prospective Resident,

We have been notified that construction for the new Creative Arts Building will begin in the Summer of 2019. The new Creative Arts Building will be located where the baseball field currently is. The construction noise may possibly be disrupting throughout the day, primarily for Mendocino Hall.

We understand that some individuals may feel that these inconveniences are too great and may not want to reside in the Residence Halls during the academic year with this information. If you would like to live in the Residence Halls in the Academic Year, please initial below.
