Payment Options

In order to move into the CR Residence Halls, you must fulfill your payment obligations prior to arrival.

Students have **THREE OPTIONS** to fulfill their payment obligations:

-  **1. Pay the full amount of the semester's housing costs with cash, credit card, or check**
-  **2. Set up an NBS payment plan. (More information on back)** The payment plan requires 10% to 25% down, depending on how early you sign up for the payment plan. The sooner you sign up, the lower your payments will be.
-  **3. Apply early for financial aid and loans.** If you apply early enough, your financial aid can be considered when setting up your payment plan. If you are from out of state, financial aid alone will not likely cover all your class registration and housing fees. Please apply for financial aid early! If you have questions about financial and loans, contact the Financial Aid Office at (707) 476-4182 or finaid@redwoods.edu
