

Hello Future Resident,

The Housing Application will exclusively be available online. All the required forms are fillable PDF files. There is only one (1) form- the Signature Page and Guarantor Agreement that needs to be printed, hand signed and returned to the Housing Office **OR** electronically signed in Adobe. If you do not have access to print this form, please let the Housing Office know. We will be happy to further assist you.

When you receive the Housing Application or access them from our website, you will need to right click-“save as”- and save the document with your first and last name before the title of the document (i.e.- **John Smith 2023-2024 Housing Interest Form Packet**). Then open the PDF on your computer and the forms will be ready to fill out. **Do not use the PDF in Google Forms**, as it will not work properly.

Some information will auto-populate from prior pages from within the application form you are working on. If you scroll over the blue fillable space, a small dialog box will appear letting you know the information that is required for that space.

Before sending the completed application back, you will need to hit “save” again to save your work. Please email the completed application to housing@redwoods.edu. Please make sure you email the application as a PDF attachment as its own email.

If you would like to do the application from your smart phone, you will need to download “Adobe Acrobat Reader: PDF Viewer, Editor & Creator” from your phone’s app store. Once you download the app, you will be able to download the forms, fill them out, save, and send it back to housing@redwoods.edu.

If you have any issues with the fillable PDFs, please give us a call at 707-476-4294. We are looking forward to having you here on campus!

The College shall make specific room assignment, observing the student's stated preference(s) when possible.

II. REGULAR OCCUPANCY CHARGES AND PAYMENT SCHEDULE

The student shall pay the College for room and housing services. The cost includes a **\$75 nonrefundable Student Activity Fee (\$37.50/semester)** which will directly benefit the student in the form of Residence Hall programs and activities. The Student Activity Fee is included in 'Housing' charges outlined above. The contract charges also include a **\$310.00 (\$155 per semester) damage deposit.** If all housing fees have been paid and the premises have been maintained in accordance with the provisions of this License Agreement, the College will return the damage deposit to the student upon termination of his/her/their occupancy.

FIRST PAYMENT

Regardless of the term or contract type, the first payment of \$500 is due after housing has reviewed your application and it is deemed complete. You will be notified via email and phone call to submit your first payment to secure your occupancy. The \$500 first payment is applied towards your housing charges outlined above. Financial Aid cannot help with the \$500 first payment.

For any contract type, (Full Year, Summer, Fall Only or Spring Only) Housing Students have three options for making payment. The first option is cash or credit card payment in full before the start of each term. The second option is paying the difference between the student's total housing charges and the amount of aid or loans expected. The third option is to make payments using the College's third-party payment plan administrator, Nelnet Business Solutions (NBS). Each option is described below in more detail.

PAYMENT OPTION ONE - FULL PAYMENT PRIOR TO START OF TERM

Cash, check, or credit card payment can be made in full prior to the start of the term.

PAYMENT OPTION TWO

If the student expects to pay a portion of their housing costs with financial aid or loan proceeds, payment prior to the start of the term can be made for the difference between the student's total housing charges and the amount of aid or loans expected. ***Please note that the Financial Aid Office can only provide funding confirmation if the student has fully completed the Financial Aid application process.*** If the student chooses the full pay option, either the full payment or full payment less verified financial aid/loan proceeds must be made prior to the start of the term.

OPTION THREE – NBS PAYMENT PLAN

Through Nelnet Business Solutions (NBS) a payment plan can be set up so the housing charges can be spread out over multiple months. You can sign up for NBS through WebAdvisor at www.redwoods.edu. The number of payments available depends on how early the payment plan is set up. Each payment plan concludes before registration starts for the following term. The earlier the payment plan is set up, the smaller the payments will be. NBS uses automatic bank payments (ACH) or automatic charges to your credit or debit card, depending in which option you choose when you sign up at <https://webadvisor.redwoods.edu>. Once the student signs up for Nelnet, all charges posted to the student account will be included in the automatic payment plan, including registration fees and housing charges. If the student does not want an individual charge to be added to their payment plan, a cash, check, or credit card payment can be made at the CR Business Office. If payment is not made at the business office, any new charges on the student account will result in an adjustment to the NBS automatic withdrawal. Conversely, once an NBS payment plan is set up, any credits or financial aid that are posted to the account will automatically cause an adjustment downward of the remaining NBS automatic payments.

Questions about payment options can be submitted to the Director of Residential Life or the CR Business Office.

See attached NelNet brochure included in this packet for payment plan timelines with NelNet.

PLEASE SELECT ONE OF THE OPTIONS BELOW:

- 1- Student will submit full cash, check, or credit card payment prior to the start of the term
- 2- Student will submit full cash, check, or credit card payment, less any pending financial aid, prior to the start of the term (Pending aid must be verified by the Financial Aid Office.)
- 3- Student will sign up for the NBS payment plan. Sign up for the NBS payment plan is completed through WebAdvisor after charges are posted to the student's account.

Please note that in order to move in to the Residence Halls, the student must have made either a full payment or a full payment less pending aid, or must have a current NBS payment plan in place.

This License Agreement only has housing and meal plan fees. It does not include any tuition or other College fees.

- THERE WILL BE AN ADDITIONAL CHARGE FOR ATHLETES WHO NEED TO OCCUPY THE RESIDENCE HALLS FOR ADDITIONAL PERIODS DUE TO SPORTS SCHEDULES. PLEASE NOTE THAT **MEAL CARDS ARE SUBJECT TO NOT BE ACTIVATED UNTIL THE BEGINNING OF THE SEMESTER. FULL SERVICE DINING OPTIONS MAY NOT BE AVAILABLE DURING THIS PERIOD.**
- IF YOU WILL BE USING FINANCIAL AID TO MEET ANY PART OF THE OBLIGATIONS OF THIS LICENSE AGREEMENT, THE COLLEGE OF THE REDWOODS FINANCIAL AID DEPARTMENT MUST BE ABLE TO VERIFY ALL FINANCIAL AID AND GUARANTEE FUNDS AVAILABLE. WHETHER YOU HAVE FINANCIAL AID COMING OR NOT THE FIRST PAYMENT (\$500) IS REQUIRED.
- PLEASE KEEP YOUR COPY OF THIS AGREEMENT AS A REMINDER OF THIS SCHEDULE.
- FURTHER BILLING NOTICES MAY NOT BE SENT.
- FOR INDIVIDUALS WITH FULL YEAR CONTRACTS, THE ANNUAL COST IS NOT SPLIT EVENLY AMONGST THE FALL AND SPRING TERMS. GENERALLY, **60% WILL BE CHARGED IN THE FALL TERM, AND 40% IN SPRING**
- PAYMENTS NOT MADE WITHIN 5 DAYS OF THE DUE DATE WILL BE CONSIDERED DELINQUENT. A CHARGE OF **\$10.00** WILL BE ADDED TO THE PAYMENT EACH DAY AFTER THE DELINQUENT DATE.
- IF PAYMENT IS NOT PAID WITHIN 7 DAYS OF DUE DATE, A NOTICE FOR THE STUDENT TO VACATE THE PREMISES WITHIN 72 HOURS MAY BE ISSUED AND YOUR MEAL CARD MAY BE TURNED OFF IMMEDIATELY.

III. FOOD SERVICE CREDIT, CHARGES, TERMS & CONDITIONS

Included in the contract amounts specified above is a flat fee of \$60.00 per semester that covers the fixed costs of providing the dining services for residents on the Eureka campus, plus an individual meal purchase credit of \$1,907.00 per semester per resident which may be redeemed at the C.R. Housing Office in the Mendocino Hall Building room MH 100 at any time during office hours. **This meal plan is not optional**; it is required of every student living in the residence halls, and payments for the plan must be made in keeping with the deadlines specified above.

Dining Hours will be posted on the website and at the Café entrance. If adjustments need to be made to regular hours, notice will be posted in the Café at least one week before the change. There will be limited hours on most holidays including fall break and spring break. The Café will be closed for the following days: November 23rd-24th, December 16th- January 7th. Summer hours will be limited to Monday-Thursday 11a.m.-2p.m. and closed during summer holidays. Summer hours run May 26th to July 21st.

Students expecting financial aid must present documentation confirming their awards with their application. This documentation, once reviewed and approved, will defer payment until the financial aid is credited to the student's account.
5. **Payments not made by the due date will be considered delinquent and may result in the meal plan being immediately deactivated. Failure to make payment will subject the student to a three days' notice to vacate the residence halls.**
6. No reduction of the meal plan fees is permissible because of dietary or related restrictions, including (but not limited to) food allergies, vegan, or vegetarian requirements.

9. Additional meal plan value/credit may be purchased at the cashier window, using cash, check, or credit card (credit cards accepted are MasterCard, Visa, Discover, and American Express).

10. Full-year and Fall-only residents will have Fall Semester value added to the meal card effective by **August 21, 2023**.
11. Full-year and Spring-only residents will have Spring Semester value added to the meal card effective **January 15, 2024**.
12. If at any time the Residence Hall contract is broken by the student or terminated by the College for any reason, all remaining meal plan funds will be forfeited, and the meal card turned off. If the Student has paid the full amount on his/her/their contract, the meal card money will remain on the card for the contract period even though the student may not be living in the Residence Halls.
13. Requests for exceptions to the policy regarding termination of the meal plan must be made in writing to the Director of Residential Life, College of the Redwoods. Permission to grant the exception is at the discretion of the Director of Residential Life, or their designee. Exceptions will only be granted due to **extraordinary circumstances**.

IV. TERMS AND CONDITIONS OF RESIDENCE HALL OCCUPANCY

Residence Hall students violating State or Federal law by possession or and/or use of illegal drugs or alcohol face disciplinary sanctions, up to and including revocation of this Housing License. Revocation of the Housing License for violation of policies or the Student Code of Conduct does not release the student from his/her financial obligations as outlined in this agreement. Please be advised that the College is extremely serious about these provisions and will enforce them consistently.

The College of the Redwoods is non-smoking campus. Smoking is not allowed in students' rooms, hallways, lounges, offices, or parking areas. D. Room Privacy and Right of Inspection Policy

The College will respect the student's right to be free from unreasonable searches and intrusions into the student's living quarters. The College reserves the right to enter upon the premises for purposes of management, health, safety, maintenance, and enforcement of applicable rules and regulations.

E. Room Changes

The College reserves the right to change or cancel room assignments on 24-hour notice in the interest of health, discipline, or the general welfare of the students, or to make reassignments for more efficient operation or maintenance. The student's damage deposit, or a portion thereof, may be expended for the purpose of payment of either common area or student room/furniture damage or replacement costs. Additional charges shall be assessed to the student for costs incurred if such costs exceed the damage deposit **(\$310 for a full year contract and \$155 for a semester contract).**

VII. GENERAL TERMINATION OF LICENSE BY THE COLLEGE

The College may revoke this License for any reason by giving not less than a three-day written notice to the student. The Housing License revocation process is separate and distinct from the College's Student Disciplinary Policy; however, suspension or expulsion will have the effect of revocation of this License. Notice shall be served personally upon the student or, at the discretion of the College, shall be posted in some suitable place upon the housing facility of the student.

Termination of this License or the student's abandonment of the premises shall not release the student from paying any obligation due to the College or the fee for the entire license period. Upon revocation of the License by the College

as a disciplinary action or breach of the terms and conditions of the License, including violation of federal, state, or county probation or nonpayment of fees, the student shall owe the total amount due for the full fee period of the License, plus any authorized charges.

VIII. TERMINATION OF LICENSE FOR INSUFFICIENT UNITS, INADEQUATE GRADE POINT AVERAGE, OR WITHDRAWAL FROM THE COLLEGE

Except in the case of full withdrawal (in which case continued occupancy of the Residence Halls is not permissible) a student may request an exception to this clause by submitting an appeal to the Director of Residence Life. Permission to remain is at the discretion of the Director in consultation with the Vice President for Student Services, and may carry with it additional stipulations or requirements such as community service, regular meetings with an academic advisor, group workshops, confirmed daily attendance with instructors, etc. Students who must vacate their room before the end of the License term for academic reasons are obligated to pay for the full term of the contract. Departure from the Residence Hall must be formalized by checking out with the Director of Residence Life (or designee).

IX. TERMINATION OF LICENSE BY THE STUDENT

A. Cancellation of Reservation Before Occupancy Begins

Request for termination of the License shall be determined as follows:

2. Notice within 15-29 days of the beginning of the License term

The student may cancel his/her reservation for any reason within 15-29 days prior to the beginning of the License term and incur no financial obligation for doing so, if the College has a person on the waiting list waiting to contract for the space the student is releasing. Should there be no students on the waiting list; a license cancellation fee of \$300.00 will be charged.

3. Notice within 14 days of the beginning of the License term

The student will forfeit the entire initial payment amount. There will be no refund made, and the student will have no further financial obligation to the College.

4. Notice once the Residence Halls have opened

On such termination, the student will forfeit their entire payment and deposit amount. In addition, they will be responsible to pay the remainder of their housing contract.

B. Termination After Occupancy Occurs

Students will be released from the License obligation only when: (1) the student withdraws from college; and (2) the Director makes an exception to the full-term License policy based on the welfare of the community, extraordinary circumstances, or a documented Student emergency. Even if these conditions are met, and the student is released from the full-term License obligation, the student will be subject to a contract cancellation fee as specified below.

Student Requests to Vacate

Any request for early termination of the License by the student must be made in writing to the Director of Residence Life at least 15 days prior to the date the student wishes to vacate. This request will be reviewed by the Director and appropriate Residence Life staff and the request will be approved or denied within 10 days of submission. All terminations of this License approved within the License term are subject to the application of a pro rata fee equivalent to the daily room rate. There will also be a contract cancellation fee applied as follows:

If the early License termination is approved, the student must vacate the premises on the date indicated in the original request. Departure from the Residence Hall must be formalized by checking out with the Director of Residence Life (or designee). CR Office of Residential Life will determine the student's financial responsibilities (including the amount of the appropriate refund, if any) in its sole discretion after giving consideration to factors including but not limited to: a) documented individual circumstances beyond the student's control which were not reasonably foreseeable at the time this License Agreement was entered into and by the administration of the Residence Halls program, b) extent of space available in the Residence Halls and, c) the Office of Residential Life's ability to fill the student's contract with another student.

Return of the signed copy of this License, together with the necessary payment, shall constitute acceptance of this agreement by the student. (Students under 18 years of age must have this License and the Contract Addendum: Minor Students in the Residence Halls form signed by a parent, guardian, or person legally responsible.) Acceptance by the College is subject to review of the application. We've put together a list of estimated expenses for students who attend College of the Redwoods and live on campus. Just keep in mind that these costs may vary depending on the choices you make as a student, like how many courses you take.

We know that finances can be tough, so we want to remind you that financial aid can help cover some expenses, but it might not cover everything. When your financial aid is disbursed, the money will first go towards any money you owe to the college, like tuition or housing fees. This means you may need to pay for books and supplies with your own money if you still have a debt on your student account.

If you have any questions about the estimated expenses, please don't hesitate to reach out to the CR Financial Aid Office at finaid@redwoods.edu or (707) 476-4182.

Dear Resident,

This letter is to remind you that College of the Redwoods is a drug and alcohol-free institution, as well as a smoke free institution. Electronic smoking devices are treated the same as traditional cigarettes. We want to remind you that these policies are taken seriously, and our community has a **zero-tolerance policy on drugs, alcohol, and smoking**. Should any of these policies be violated you may receive a major violation at the Residence Halls which would lead to initiation of your removal from the dorms. Each incident will also be forwarded to the Vice President of Student Services and Learning Support or his/her/their designee for disciplinary action.

Our hope is that this reminder heads off any incidents that might occur and create hardship for any individual. Please sign and date and return this letter to the Housing Office letting us know you have received this notice.

We thank you for your cooperation and continue to wish you success in all your goals.

Sincerely,

Dear Prospective Resident:

We are glad that you have chosen to live and pursue your studies while living in the College of the Redwoods Residence Halls. Step: Forward

What you need to know

Priority registration allows you to register early so you can get into courses before they fill up. To be eligible, you must participate in orientation, complete the assessment process for math and English course placement, and develop an Education Plan with your counselor or advisor. This process will help you to clearly define your goals, stay on track, and take the most direct route from start to finish.

1 Orientation: Connect with your campus

Orientation allows you to learn about financial aid, registration, tutoring services, important locations on campus, types of degrees, and more, helping you adjust to your new college.

2 Assessment: Discover your academic skills

College assessment tests measure your academic knowledge and skills and take the guesswork out of choosing courses at the right level. You might find out that you are ready for higher-level courses in some areas or need more preparation in other areas. Your assessment results help you know where to begin in your college career.

3 Education Plan: Make the most of your college experience

Your Education Plan, created with the help of a counselor or advisor, is a step-by-step guide based on requirements to meet your goals and how soon you would like to complete them. Planning will ensure you take your courses in the right sequence to enroll in the courses you need when you need them.

For more information, please visit <http://stepforward.cccco.edu/> or contact College of the Redwoods Counseling and Advising Center at (707) 476-4150.

Housing accepts these forms of payment: personal check, cashier's check, credit card (MasterCard, Visa, Discover, or American Express). Make sure to carefully read all the information and answer all the questions in your application. By returning these two hand signed pages, as well as submitting all other application material, you will be entering into a legally binding agreement and therefore it is crucial for you to understand every aspect of the agreement.

**College of the Redwoods

**Contract Addendum:
Minor Students in the Residence Halls**
(Minors: Students under the age of 18 years old)

The purpose of this contract addendum is to make certain that all minor students who are accepted into the Residence Halls at College of the Redwoods have a clear understanding of the implications of their choice to live in an adult environment. The College is requiring that the parents/guardians of these minor students also sign this addendum, so that there will be a shared understanding of how the college views the presence of minor students in the Residence Halls, and how the staff will approach certain issues, should they arise. This document must be signed and returned to the Residential Life Office before the student will be allowed to move into the halls.

First, it is our expectation that both the student and the parent/guardian realize that the student is moving into a living environment that is designed for adult students. The staff, therefore, will not be assuming the role of “in loco parentis” for the minor students who choose to live on the CR campus. Put more plainly, the staff will not serve as substitute parents to minor residents, nor will they monitor minor students’ behavior or view their choices differently than they would those of students aged 18 and older.

Secondly, it is our expectation that the student and parent/guardian have had a discussion of the realities and potential risks of living away from home in an adult environment, and that they have determined that the student has the maturity to live and function in this setting. We assume, too, that the student is empowered and expected to make day-to-day academic and life-style decisions and choices on his/her own.

Finally, it is our expectation that the parent/guardian wants and expects the student to find and use his/her own voice.

From the college’s perspective, these three expectations translate into the following operational guidelines for the staff working with residents in the halls:

- The staff will expect to hear directly from the student when there is an issue or concern that needs to be resolved. If the student is sharing information with his/her parent/guardian that the parent/guardian thinks we need to know about, she/he should encourage the student to tell us, not call us to speak for the student. If the student cannot speak for himself/herself, he/she is probably not mature enough to move into this environment.
- The student will be expected to tell the staff if she/he sees or knows of behavior that violates the Student Code of Conduct or the residence hall guidelines. If

the staff doesn't know about such behavior, they can't participate in solving the problem. The college will not let a student out of the contract if *she/he* has not reported such behaviors to the staff and given them the opportunity to respond.

- The student will be expected to tell the staff in a timely way if there is something about the living environment that is not acceptable to him/her. We will not let a student out of the contract if *she/he* has not reported an issue to the staff in a timely way and given them the opportunity to respond.
- We will not expect older students to modify their behavior solely because there are minor students living in the halls. Minor students should expect to be exposed to legal materials that older students may talk about, post/watch/download/have in their rooms, and they should expect to be exposed to activities in which older students are likely to engage.
