Classes in Public Records Act, Records Clerk, Records Supervisor

CR is an absolutely vital resource for local law enforcement training and we appreciate your efforts!

Hi Ron, keep up the good work!!

I am planning to use a full online course with another school to finish, I would prefer to use CR but the Admin of Justice courses aren't online. Thanks.

I have about 60 college credits, mostly in law enforcement classes.

I have only taken one admin just class. It would benefit my needs if additional were given at KT branch or on line.

I have taken most of the AJ courses. I believe that i would only need to take my english and math and i would be finished with my AS degree.

I think the class should be taught by all departments not just a few, and that the instructors be on the line so that they know how to instruct the students how to use the information. information without reference is useless, except to get a piece of paper.

I would like to see more of the advanced officer classes that are offered in other areas to be in Humboldt County

More online courses would be best for the school. Most colleges offer online course work and it is the way to go.

not at this time

Offer online courses would be great for all criteria, including math, speech, english, etc.

On line classes since I work 12 hr days 5 days a week

Online classes would be great for those people with irratic schedules.

Please add Del Norte County as an area where classes can be held.

What about a recertification class at least once a year?
