High School Equivalency Preparation, Certificate of Competency

A noncredit Certificate of Competency for students who want to build skills in the core academic subjects to prepare for a high school equivalency test. This sequence of two courses will provide students with a review of the content at the elementary and secondary level. Content is individualized and based on need.

Program Requirements	Units	Hours
EDUC 210 Adult Basic Education	0.0	0-90
EDUC 225 High School Equivalency/GED Preparation	0.0	75
Total Units/Hours	0.0	75-165

Program Learning Outcomes

- Identify and apply concepts learned in the core subjects at the secondary level to prepare students for the high school equivalency test.
