### Community and Career English as a Second Language, Certificate of Competency

A noncredit Certificate of Competency providing instruction in English language skills for personal and vocational use to non-native speakers of English at the intermediate level. This sequence of courses is designed for students who want focused practice on listening, speaking, reading and writing beyond survival skills or common topics. Students who complete these courses will develop practical English skills for both personal and workplace settings with a focus on educational and career goals. Workplace readiness through developing computer competency is also emphasized.
