Academic Readiness in Mathematics, Certificate of Competency

A noncredit Certificate of Competency in mathematics. This sequence of noncredit basic mathematics courses serves as a pathway to credit-bearing mathematics courses by providing students with a foundation in arithmetic and pre-algebra. Completion of this certificate also benefits students in other programs or careers where knowledge of fundamental mathematical concepts is essential for success.

Program Requirements	Units	Hours
MATH 272 Arithmetic for College Preparation	0.0	72
MATH 276 Pre-Algebra for College Preparation	0.0	72
Total Units/Hours	0.0	144
<i>NOTE: Students with demonstrated competence in Math 272 material may complete the certificate requirements by successful completion of Math 276 only.</i>		

Program Learning Outcomes

- Demonstrate mathematical skills at an appropriate level for future progression in basic skills mathematics courses.
