

COMMUNICATIONS STUDIES (COMM)

About the program

Effective communication consistently ranks among the top skills sought after by employers. The field of communication covers a wide range of topics and includes courses that enhance understanding and develop skills for transfer preparation, professional development, and personal growth. The Associate in Arts in Communications Studies for Transfer degree will provide the foundational knowledge in Communications Studies to students who want to earn a Baccalaureate Degree in Communications Studies at any of the CSU campuses. The Associate in Arts in Communications Studies for Transfer degree enhances opportunities for employment and promotion in fields including education, law enforcement, law, health care, management, organizational development, psychology, public service, sales, training, entertainment, and social services.
