

# Afraid to report sexual assault or stalking?

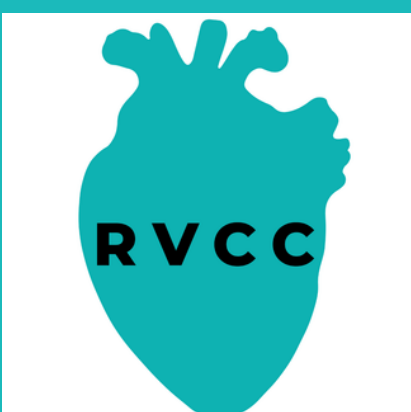

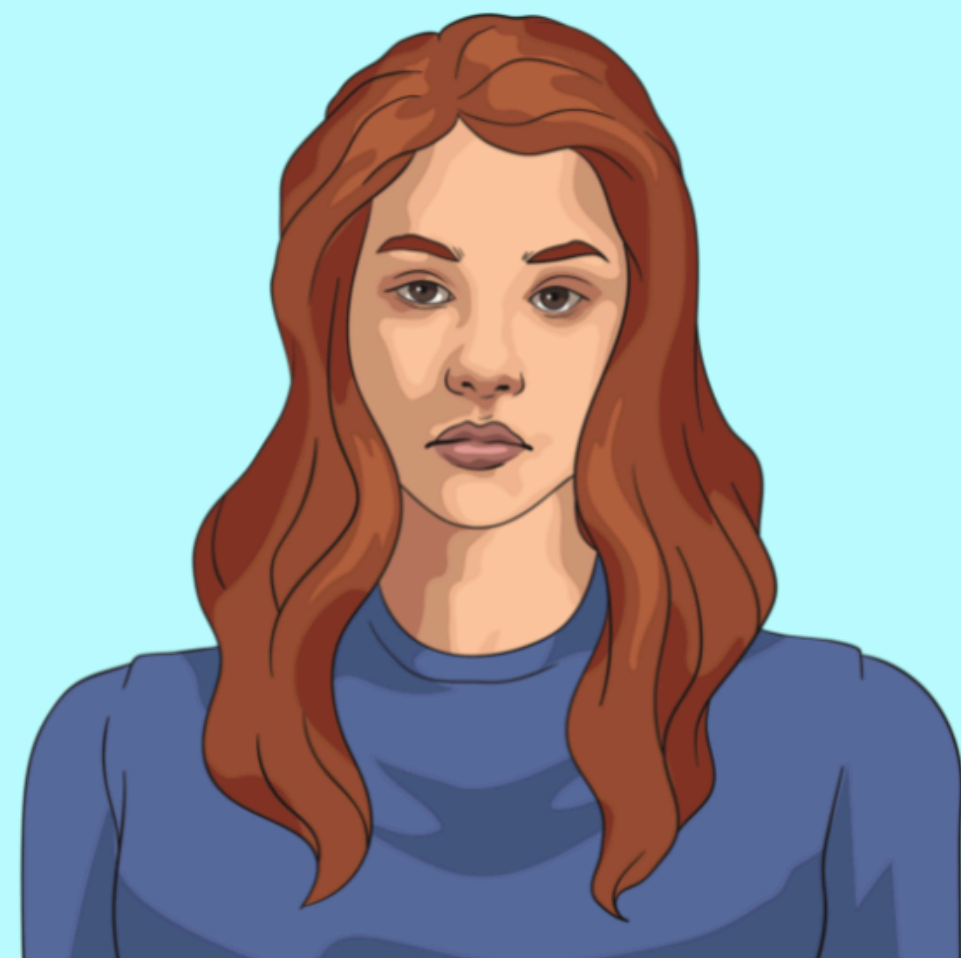

100% confidential services  
24-hr Hotline: (707) 445-2881

I don't know how this happened.  
I should have been able to fight it  
off but I froze. I feel so  
embarrassed and weak.

My perpetrator is a star athlete. I am  
scared of what will happen to me if I tell  
someone. Will I be believed? Will the school  
and his teammates turn against me?
