

**ANNUAL MILITARY EQUIPMENT REPORT
OF THE
COLLEGE OF THE REDWOODS POLICE DEPARTMENT**

Pursuant to Government Code § 7070, § 7071; and § 7072; the College of the Redwoods Police Department maintains an inventory of tools classified as Military Equipment. In compliance with these Government Code sections, the CRPD provides the District with a Military Equipment Use Policy (Government Code § 7070(d)) and an Annual Military Equipment Report (Government Code § 7072(a)). These documents provide mandated information regarding the CRPD military equipment in inventory.

Cal. Gov. Code 7072

(a) A law enforcement agency that receives approval for a military equipment use policy pursuant to Section 7071 shall submit to the governing body an annual military equipment report for each type of military equipment approved by the governing body within one year of approval, and annually thereafter for as long as the military equipment is available for use. The law enforcement agency shall also make each annual military equipment report required by this section publicly available on its internet website for as long as the military equipment is available for use. The annual military equipment report shall, at a minimum, include the following information for the immediately preceding calendar year for each type of military equipment:

- (1) A summary of how the military equipment was used and the purpose of its use.
- (2) A summary of any complaints or concerns received concerning the military equipment.
- (3) The results of any internal audits, any information about violations of the military equipment use policy, and any actions taken in response.
- (4) The total annual cost for each type of military equipment, including acquisition, personnel, training, transportation, maintenance, storage, upgrade, and other ongoing costs, and from what source funds will be provided for the military equipment in the calendar year following submission of the annual military equipment report.
- (5) The quantity possessed for each type of military equipment.
- (6) If the law enforcement agency intends to acquire additional military equipment in the next year, the quantity sought for each type of military equipment.

Inventory

Equipment Type: Kinetic Energy Weapon -CA Gov't Code §7070(c)(14)	
Equipment Name: Remington 870 12-Gauge Less-Lethal Kinetic Energy Launcher	
1	This less-lethal launcher is designed as an intermediate use-of-force tool to provide officers with options when confronting assaultive individuals. All sworn members of the CRPD are qualified with this weapon on 11-4-24, prior to it being put into service. No situations arose in 2024 requiring its use beyond training and qualification.
2	There were no complaints regarding this equipment in 2024.
3	There were no violations of the military equipment use policy regarding this equipment in 2024.
4	The initial cost of this equipment was \$1,268. ¹⁴ . The estimated annual maintenance cost is approximately \$30. ⁰⁰ . The estimated annual training cost for this equipment is approximately \$100. ⁰⁰ . All funding for this equipment is a component of the CRPD annual operating budget.
5	CRPD possesses one (1) of these launchers.
6	CRPD does not plan to acquire another launcher in 2025.

Equipment Type: Kinetic Energy Munitions -CA Gov't Code §7070(c)(14)	
Equipment Name: Integrity Ballistics 1401 12-Gauge Less-Lethal Kinetic Energy Munition	
1	These are the less-lethal rounds designed as an intermediate use-of-force tool to provide officers with options when confronting assaultive individuals. All sworn members of the CRPD are qualified with these rounds on 11-4-24. No situations arose in 2024 requiring round deployment beyond training and qualification.
2	There were no complaints regarding this equipment in 2024.
3	There were no violations of the military equipment use policy regarding this equipment in 2024.
4	The initial cost of this equipment was \$383. ⁰⁰ . The estimated annual training/depletion cost for this equipment is approximately \$100. ⁰⁰ as identified above in the previous section of this report. All funding for this equipment is a component of the CRPD annual operating budget.
5	CRPD possesses approximately twenty-five (25) rounds.
6	CRPD does not plan to acquire additional rounds in 2025.

Equipment Type: Specialized Firearm -CA Gov't Code §7070(c)(10)	
Equipment Name: Daniel Defense DDM4 PDW Short Barrel Rifle (SBR)	
1	These weapons allow sworn members of the CRPD to intercede in violent confrontations where lethal force is necessary to end the threat to human life. They provide greater accuracy and increased ballistic capabilities than standard handgun rounds. These weapons did not become serviceable in 2024 due to their acquisition at the end of the calendar year.
2	There were no complaints regarding this equipment in 2024.
3	There were no violations of the military equipment use policy regarding this equipment in 2024.

4	The initial cost of this equipment was \$5,193. ⁸⁰ . The estimated annual maintenance cost is approximately \$60. ⁰⁰ . The estimated annual training cost for this equipment is approximately \$1000. ⁰⁰ . These costs are a total for all units possessed. All funding for this equipment is a component of the CRPD annual operating budget.
5	CRPD possesses two (2) of these weapons.
6	CRPD does not plan to acquire more of this equipment in 2025.

Equipment Type: Specialized Ammunition -CA Gov't Code §7070(c)(10)	
Equipment Name: Hornady 300 Blackout Subsonic and Supersonic Ammunition	
1	This ammunition consists of both subsonic and supersonic rounds and is utilized with the SBRs identified above. The rounds are intended to allow sworn members of the CRPD to intercede in violent confrontations where lethal force is necessary to end the threat to human life. The ammunition provides greater accuracy and increased ballistic capabilities over standard handgun rounds. These weapons and the associated ammunition did not become serviceable in 2024 due to their acquisition at the end of the calendar year.
2	There were no complaints regarding this equipment in 2024.
3	There were no violations of the military equipment use policy regarding this equipment in 2024.
4	The initial cost of this ammunition was \$5,108. ⁷⁰ . The estimated annual training/depletion cost for this equipment is approximately \$1000. ⁰⁰ as identified above in the previous section of this report. Funding for this ammunition is a component of the CRPD annual operating budget.
5	CRPD possesses approximately 2500 rounds of subsonic ammunition and 800 rounds of supersonic ammunition.
6	CRPD does not plan to acquire more of this ammunition in 2025.

Equipment Type: Unmanned, Remotely Piloted, Powered Aerial Vehicle -CA Gov't Code §7070(c)(1)	
Equipment Name: DJI Mavic 3 quadcopter-style Unmanned Aerial Vehicle (UAV)	
1	This UAV is intended for use during critical incidents and/or events generating large numbers of people on campus, to provide an aerial view of activity and gain situational awareness. During 2024 the UAV has been utilized for training and familiarization flights only. There were no law enforcement missions flown in 2024.
2	There were no complaints regarding this equipment in 2024.
3	There were no violations of the military equipment use policy regarding this equipment in 2024.
4	The initial cost of this equipment was \$2,291. ⁸⁴ . The estimated annual maintenance and training cost for this equipment is approximately \$50. ⁰⁰ . Funding for this equipment is a component of the CRPD annual operating budget.
5	CRPD possesses one (1) of these UAVs.
6	CRPD does not plan to acquire more of this equipment in 2025.
