NON-CREDIT APPLICATION FOR ADMISSION

PLEASE PRINT AND COMPLETE ALL ITEMS

Non-credit Admission Procedures

This non-credit application is only for admission to non-credit classes in Adult Education. Your California residency status will not be evaluated for financial aid or any other purpose. This application is the minimum information required to admit you to the college **only as a non-credit student**. Until you re-apply to the college using the full application for admission, you will be unable to register in for-credit classes. Do not use this application if you have any interest in registering for credit classes, or intend to apply for financial aid.

Some information requested is voluntary and used to comply with federal reporting and has no effect on admission to the college or for any discriminatory purposes. This includes questions related to disability, ethnicity, marital status, etc.

There is no charge to apply to College of the Redwoods, and the application does not require you to register for classes; it just gives you the option.

All applicants are urged to complete the admission process as early as possible. You are considered a new student if you have not previously attended CR. You are considered a returning student if you have previously attended but have been away from CR for a semester or longer. If you have graduated from high school since you last attended CR, you need to complete a new application.

CR admits all high school graduates or the equivalent (GED, CA High School Proficiency), and any person 18 years of age or over who is capable of benefiting from the instruction offered. If you are attending high school, additional documentation is required.
