## Student Support

Good information and clear communication about your needs will help you be successful. Please let your instructor know about any specific challenges or technology limitations that might affect your participation in class. College of the Redwoods wants every student to be successful.

## Evaluation & Grading Policy

This class is a hands-on lab that will require active participation by students in order to succeed in the course. Students will have various lab activities to complete each meeting, and a lab report or journal entry will be included for **each** lab. There will be time to complete and turn in the lab report/journal entry each class.

Your Final Grade will be based on:

Weekly class participation/lab report/journal entry: 10 points per week, 80 points total

Final grades will be based on a percentage of the cumulative highest possible score for the semester:

A = 90-100% B = 80-89% C = 70-79% D = 60-69% F = below 60%.

## Absence Policy

Due to the low number of class meetings, only 1-2 absences can be made up. Make up hours at the farm will be arranged with the instructor.

## **Academic dishonesty**

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

## **Disruptive behavior**

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process, a disruptive student may be temporarily removed from class. In addition, the student may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

## **Class Disruptions**

Cell phones are to be on silent during times when the instructor is lecturing and demonstrating farm activities. During work sessions, phones may be used sparingly. Excessive phone use will result in a lower participation grade and the student will be asked to put their phone away. Students are expected to pay attention and participate in class meetings. Students are to remain in class during the entire session with the exception of breaks and lunch breaks. All class participants are expected to exhibit respectful behavior. All students have the right and privilege to learn in the class, free from harassment and disruption. Inappropriate or disruptive behavior will not be tolerated, nor will lewd or foul language.

## **Dress Code and Preparation**

While it is not my intention to regulate student dress, the nature of the course requires that certain precautions be taken. As such, long pants and closed toed shoes are expected and appropriate clothing for the outdoors. I may consider you absent if they are lacking. Preparation: Shively Flat is usually warmer than Eureka, but wind, rain, cold, and thunderstorms are all possible. As such, it is recommended that students bring appropriate clothing and footwear. Boots are an excellent choice.

Please also bring a refillable water bottle, lunch/snacks, sunscreen, and a hat. I also strongly encourage bringing both a short sleeve and a long sleeve shirt to the farm, even on warm days, since some activities are rough on bare skin. If you have any type of rain boots, they are highly recommended as it is can get muddy later in the fall.
