Catalog Description

A course designed to provide individualized instruction within the classroom context of Art 23. Students will be encouraged to pursue independent directions in Painting.

Course Student Learning Outcomes

1. Create a suite of intermediate-level paintings that follow consistent, independently-devised themes and content.
2. Evaluate and critically assess class projects and artworks presented in lectures using relevant terminology in oral or written formats.

Prerequisites/co-requisites/ recommended preparation: Art 23 is recommended, but not required.

Course Requirements: Three full hours of in-class work per week is required. Whether you come to class for 1.5 hours twice a week (or 3 hours once a week) you'll need to work a cumulative total of 54 hours of in-class studio time by the end of the semester in order to receive an "A" for this course. There are two group critiques (on Zoom) during the semester, and you will be submitting your daily work to "Discussions" on Canvas. Access to a computer with internet is important for this course, as is having a smart phone with a decent camera. Please see me if this is impossible for you.

Evaluation & Grading Policy

Portfolio of Painting Projects: 88% (of your total grade)

2 Group Critiques: 12%

100%

How I Grade Your Assignments: When I evaluate your paintings, I am looking to see that your work satisfactorily reflects the Student Learning Outcomes listed for this course: in sum, that you are demonstrating understanding and proficiency with the painting materials, techniques, and concepts that are covered in this class, and that you've spent a sufficient amount of time (3 hours per week) working on your projects. If you must miss a class, you'll need to complete at least 1.5 hours of outside work per missed class. You also must show me your makeup work before it is submitted for grading, so I can make sure that you have done it correctly and that you have spent sufficient time on it to get full credit for it. You'll be submitting your in-progress and completed projects at the end of each class period to the "Assignments" section on Canvas. I will give you points for each submission, and (in the process) Canvas will automatically calculate your overall grade in the "Grades" section. Feel free to check your grades there, and feel free to ask me about your grade and/or your progress in this class at any time.

Class Participation and Conduct: It is absolutely crucial to your grade that you show up to class with all your supplies, participate fully, and work diligently for the entire class period. Arriving late or leaving early from class will lower the points you receive for each assignment. Chatting and/or not working during our work sessions will also lower the points for each assignment. Be aware that if you miss more than 16 hours of class at any point during the semester, you will be dropped from this course for excessive absences and non-participation. I insist upon a professional and studious atmosphere in all my courses. If you consistently arrive late or leave early, chat during our work sessions, distract other students, or somehow lower the concentration level of the classroom—you will be strongly discouraged from taking this course. This course is for serious students, but don't worry if you feel you have little skill at art. Give me 100% of your involvement, be willing to do your best, and you should have no problem succeeding in this course!

It is crucial to your grade that you show up with all of your supplies, participate fully, and work diligently for the entire class period.

Bringing Supplies: No textbook is required for this course, but specific art materials are absolutely required. **You must bring the required art supplies to each class session**, as I will not be providing materials. If you come to class empty-handed, you will be counted absent for that day. Also: do not mooch supplies off of classmates! Please see me if you are missing a few items.

Contacting Me: Call me "Cindy." The quickest way to contact me is either to message me through Canvas or to email me at cindy-hooper@redwoods.edu. You can generally expect a response from me within 24 hours—usually sooner. Also: emails with specific questions will get the quickest responses. I am always here to help you!

Accessibility

College of the Redwoods is committed to making reasonable accommodations for qualified students with disabilities. If you have a disability or believe you might benefit from disability-related services and accommodations, please contact your instructor or [Disability Services and Programs for Students](#) (DSPS). Students may make requests for alternative media by contacting DSPS based on their campus location:

- Eureka: 707-476-4280, student services building, 1st floor
- Del Norte: 707-465-2324, main building near library
- Klamath-Trinity: 530-625-4821 Ext 103

Please present your written accommodation request to your instructor at least one week before the needed accommodation so that necessary arrangements can be made. Last minute arrangements or post-test adjustments usually cannot be accommodated.

Setting Your Preferred Name in Canvas

Students have the ability to have an alternate first name and pronouns to appear in Canvas. Contact [Admissions & Records](#) to request a change to your preferred first name and pronoun. Your Preferred Name will only be listed in Canvas. This does not change your legal name in our records. See the [Student Information Update form](#).

Personal Protective Equipment (PPE)

Until further notice, ***Masks are required*** for all students engaged in F2F instruction or who are accessing in-person services. You may choose to bring your own appropriate cloth face covering or surgical face mask, and these masks must be worn at all times in the indoor classroom and other public indoor spaces and outdoors when gathering with others in groups of more than four. *Bandanas, neck gaiters, or 'buffs' are not effective face coverings*; if you arrive with these, I will issue you a mask from the supplies available in the classroom. The mask must be worn so as to cover both nose and mouth. The mask should not have an exhalation valve or vent. This is to help prevent spread of respiratory droplets which may carry disease, even if one is asymptomatic. Students who refuse to wear a mask will be referred to the Vice President of Student Services. If you refuse to wear a mask and refuse to exit the classroom after I ask you to wear a mask, I will contact Public Safety at (707) 476-4111.

Covid Caveat: The point system for grading (as well as the course calendar) is subject to change should this course be switched to an online delivery as a result of updated mandates from the Redwoods Community College District and/or the Humboldt County Health Department.
