Communication Guidelines

Personal questions should be communicated with Messages (Help) in Canvas. Please do not send me an email, rather, as previously stated please send me a message in Canvas to discuss personal matters. It is much easier and quicker for me to respond to you through Canvas as I check Canvas more frequently.

Netiquette: Please be respectful to your classmates. Be kind and professional in all of your postings and responses in any open forums. Adhere to the same standards of behavior online that you follow in a face to face

class room. Inappropriate comments could result in losing credit for participation during that week's discussion forum as well as being dropped from the course.

Regular and effective contact

I will access the class website regularly and respond to posted questions and messages generally within 48 hours of receipt Monday through Friday. The will respond slower on the weekends. If for some reasons, I miss your message, send me another within 24 hours and I will definitely see it. Additionally, I read and provide feedback to each student's discussion forum posts by the end of the week after they are due. There is also regular instructor-based communication with weekly announcements and emails/messages to students who have messaged me through the Canvas messaging system. I will give you detailed feedback on your term paper assignments by two weeks after they are submitted. On Fridays at 10AM, I will offer a recorded optional meeting to go over homework and class materials.

Evaluation & Grading Policy

Evaluation process

Course Assignments- Every Sunday, the week's assignments will be listed in **Announcements** and posted in the Modules section of Canvas. You will complete them under the specific weekly module. The weekly assignments will typically require you to read textbook chapters, review online power point slides, complete homework, and complete chapter quizzes. We will also complete 3 exams.

Friday OPTIONAL class attendance: On Fridays at 10am I will host a 50 minute meeting in Zoom to discuss the course material for the week. I can lecture if you would like or I can answer your questions and we can take a look at McGraw Connect, for example. It will be up to you each week. I will record these lectures. You will get extra credit for that week's quiz score by attending the lecture, with your camera on and contributing to the discussion actively- up to +15% your final quiz score. If your camera is off and/or you are not speaking nor paying attention to the discussion, I will not give you extra credit for that week's quiz. If you cannot attend Friday meetings because they are not convenient for you, I completely understand. You may watch the recorded lectures and email me with any questions you have at anytime before the due date of homework or quizzes and I would be happy to help you out.

Quizzes: (25% of your final grade) We have weekly quizzes in McGraw Connect. So, make sure you purchase the text with the McGraw Connect package. These will be multiple choice in their format. You have unlimited attempts and I will take the highest score. Unless otherwise noted, they will be due every Sunday night at 11:45PM. I will drop your lowest two quiz scores as extra credit assistance.

Homework: (30% of your final grade.) We will have homework assignments in McGraw Hill Connect. So, make sure you purchase the text with the McGraw Connect package. It is available in the bookstore. You have unlimited attempts on each homework assignment but they are graded assignments. They are due on Sunday at 1145PM. I will take the highest score.
