Course ID & Section #: CT 96 E4796

Instructor's name: Derek Glavich

Day/Time of required meetings: Tuesday, Thursday 1:00-5:35

Location: Carson Park, Eureka

Course units: 3

## Instructor Contact Information

Email address: derek-glavich@redwoods.edu

## Catalog Description

A practical lab to strengthen and reinforce skills through hands-on experience. Students will install exterior trim and siding, doors and hardware, interior trim, miscellaneous finish products, build decks, and form and pour concrete flatwork.

## Course Student Learning Outcomes

1. Lay out and construct interior and exterior components of a house.
2. Analyze residential plans and building requirements with respect to local codes.
3. Express to co-workers and the general public methods of code-compliant carpentry and workmanship.

## Pre-Requisite

CT 95 Intermediate Carpentry I

## Required Supplies

Students are required to use OSHA approved safety glasses at all times and hearing protection when necessary. It is highly recommended that boot-type footwear be worn in class. No open-toed shoes allowed. Students will wear long pants, no shorts. Long-sleeve shirts are recommended, no tank tops. Unless it becomes a safety concern, we will be working in the rain. A full set of rain gear is highly recommended. Students will be required to furnish their own tool bags and required hand tools. A complete list of required items will be provided on Canvas. Anyone who refuses to comply with the rules will be asked to leave the class.

## Student Contribution

Students will be expected to participate in all lectures and lab activities involving this course. Lab activities require group participation. Students will work together with partners as groups in a lab setting. Each student is responsible for all material presented in this course regardless of class attendance. Students will be expected to adhere to the College of the Redwoods Student Code of Conduct and Discipline at all times. **Cell phone** use is **prohibited** during class.

## Evaluation & Grading Policy

There will be 300 points possible. Final grades will be based on these point totals.

- A 90 – 100% 270 – 300 points
- B 80 – 89% 240 – 269 points
- C 70 – 79% 210 – 239 points
- D 60 – 69% 180 - 209 points
- F 59% or less 179 or less

- Everyone may earn up to 240 points through the daily assignments (30 days @ 8 points per day)
- The Final Exam will be worth 60 points.

I will keep a daily grade sheet for students in this class. Students will be graded based on participation in the class. Participation will be assessed based on punctuality, safety practices, rollout/ cleanup, professionalism, and engagement in the day's activities. Eight points can be earned per day, and the rubric is as follows:

Criteria			Points
Punctuality	2 points for being punctual.	0 points for not being punctual.	
Safety	2 points for working safely	0 points for not working safely	
Rollout/Cleanup	1 point for rolling out/cleaning up tools and materials	0 points for not engaging in roll out/cleanup	
Engagement	2 points for being engaged in the activities	0 points for not being engaged in the activities	
Professionalism	1 point for being professional	0 points for not being professional	
8 points total			

Keep in mind, if you are absent 1 class you will lose all 8 points for that day. You can make up a missed class by attending 2 additional classes with prior arrangements with the instructor. If you are excessively late or leave class excessively early you will be marked absent.

## **Drug and Alcohol Policy**

Safety is the number one concern in this program. Construction is a dangerous occupation in and of itself, and when a student is under the influence of drugs or alcohol they are a danger to themselves and everyone else involved. As outlined in the Student Code of Conduct, the use or possession of controlled substances is strictly prohibited. Any student suspected of being under the influence of drugs or alcohol will be removed from class for two class periods. Further disciplinary action, including removal from the program, will be left to the discretion of the instructor.

## **Professional Conduct and Attire**

The student-built house will be constructed off site, under the watchful and judgmental eyes of the public. We are representing the program and the College at all times, and it is for this reason that we must always act in a professional manner. Vulgar and offensive language and attire will not be accepted. Clothing should be clean, orderly, and without language and/or imagery that could reasonably be considered offensive to members of the general public. Tank tops, sleeveless shirts, and shorts are not allowed.

## **Safety Tests**

Each week students will be required to read a short safety lesson and take a safety quiz on Canvas. This must be completed before class. Any student that does not complete the safety quiz while receiving 100% will not be allowed to participate in the lab, and will therefore not receive any participation points for the day. An in-class safety demo will be performed to reinforce the weekly topic.

## **Course Participation Policy**

Professionalism and meaningful work are the cornerstones of the construction industry. Every day you will be assessed on punctuality, safety, rollout/cleanup, engagement, and professionalism.

Punctuality means that you are ready to work when your shift starts. In order to earn points for punctuality, you are wearing your tool bags and appropriate workwear when class begins.

Safety is a priority in this class. To earn points for safety you must be wearing safety glasses at all times and be using tools and equipment safely. You are working in a manner that keeps you and your fellow students out of danger.

Rollout/cleanup is necessary to provide a safe work space and maintain an orderly jobsite. To earn points for rollout/cleanup, you must be actively engaged in rolling out tools and equipment when they are needed, and putting away tools and equipment when finished. Waste will be put in an appropriate location.

Engagement is necessary to share the burden with our fellow students and ensure that we are completing the necessary tasks for the day. To earn points for engagement you must be actively involved with your crew in the task at hand. Cell phone use, eating, and smoking are allowed only during designated breaks.

Professionalism is crucial to maintain your reputation and the reputation of this program. To earn points for professionalism, you must abstain from using foul and/or derogatory language and imagery.

## Add/Drop Policy

Redwoods Community College District policy states that a student who fails to attend the first meeting of a course without notifying the instructor may be dropped from the class. In addition, Redwoods Community College District has an excessive absence policy which allows instructors to drop a student after the census date and anytime throughout the end of the 10th week of the semester. Each instructor is able to define their own excessive absence criteria. For the purpose of this class, excessive absence is two lab classes. Nevertheless, IT IS ALWAYS THE STUDENT'S RESPONSIBILITY TO OFFICIALLY DROP OR WITHDRAW from the class. Students that fail to file the necessary forms, even though they stop attending class, will be assigned a failing grade. Students with excessive absences at the end of the term, five absences, will be assigned a failing grade. If you must miss a class, make prior arrangements with me.

## Academic Dishonesty

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

## Disruptive Behavior

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language;

slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process, a disruptive student may be temporarily removed from class. In addition, the student may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

## **Inclusive Language in the Classroom**

College of the Redwoods aspires to create a learning environment in which all people feel comfortable in contributing their perspectives to classroom discussions. It therefore encourages instructors and students to use language that is inclusive and respectful.

## **Setting Your Preferred Name in Canvas**

Students have the ability to have an alternate first name and pronouns to appear in Canvas. Contact [Admissions & Records](#) to request a change to your preferred first name and pronoun. Your Preferred Name will only be listed in Canvas. It does not change your legal name in our records. See the [Student Information Update form](#).
