

# Syllabus for CT-21B Intermediate Wood Technology

#### **Course Information**

Semester & Year: Spring 2024

Course ID & Section #: CT-21B Intermediate Wood Technology #E6233

Instructor's name: Bert Hafar

Day/Time of required meetings: Lecture - Wednesday 5:30 - 6:35 PM

Lab - Monday and Wednesday 6:40 – 9:50 PM

Location: AT-109 Course units: 3.0

#### **Instructor Contact Information**

Office location: AT - 124 (Near vending machines, south-west end of AT building)

Office hours: Tuesday and Thursday 3:00 – 5:00 PM and by appointment Phone number: Office 476-4349 Wood Lab 476-4100 extension 4623

Email address: bert-hafar@redwoods.edu

## **Catalog Description**

An intermediate level woodworking course. Project-based instruction includes the set-up and use of woodworking hand tools and machinery, furniture joinery, wood turning, veneering, surface preparation and wood finishing.

# **Course Student Learning Outcomes (from course outline of record)**

- 1. Work safely in the woodworking shop using the hand tools and machinery presented during lectures.
- 2. Construct a complex woodworking project that incorporates a variety of woodworking joints.
- 3. Complete a project using a sequential process.
- 4. Critically review a woodworking periodical and present that review.

## Prerequisites/co-requisites/ recommended preparation

Prerequisite: CT-21A Survey of Wood Technology

# **Educational Accessibility & Support**

College of the Redwoods is committed to providing reasonable accommodations for qualified students who could benefit from additional educational support and services. You may qualify if you have a physical, mental, sensory, or intellectual condition which causes you to struggle academically, including but not limited to:

- Mental health conditions such as depression, anxiety, PTSD, bipolar disorder, and ADHD
- Common ailments such as arthritis, asthma, diabetes, autoimmune disorders,

and diseases

- Temporary impairments such as a broken bone, recovery from significant surgery, or a pregnancy-related disability
- A learning disability (e.g., dyslexia, reading comprehension), intellectual disability, autism, or acquired brain injury
- Vision, hearing, or mobility challenges

Available services include extended test time, quiet testing environments, tutoring, counseling and advising, alternate formats of materials (e.g., audio books, E-texts), assistive technology, on-campus transportation, and more. If you believe you might benefit from disability- or health-related services and accommodations, please contact <u>Disability Services</u> and <u>Programs for Students (DSPS)</u>. If you are unsure whether you qualify, please contact <u>DSPS</u> for a consultation: <a href="mailto:dsps@redwoods.edu">dsps@redwoods.edu</a>.

• Eureka: 707-476-4280, Student Services Building, 1st floor

Del Norte: 707-465-2324, Main Building, near the library

Klamath-Trinity: 707-476-4280

## **Required Materials**

<u>Textbook:</u> "Woodworking" 2<sup>nd</sup> edition Author: Nancy Macdonald ISBN: 978-1-133-94963-3 Optional: "Workbook to accompany Woodworking" 2<sup>nd</sup> edition, Nancy Macdonald ISBN: 978-1-133-94962-6

<u>Other Requirements</u>: Safety glasses, tape measure, pencils, notebook, completed safety test. Materials fee: This fee covers the cost of materials for the assigned manipulative projects. You are expected to purchase materials for your personal choice projects i.e., lumber, wood finish, stain, hardware, hinges, etc.

If you have financial issues please talk to your instructor, they might be able to help you with materials.

## **Student Support**

Good information and clear communication about your needs will help you be successful. Please let your instructor know about any specific challenges or technology limitations that might affect your participation in class. College of the Redwoods wants every student to be successful.

Good information and clear communication about your needs will help you be successful. Please let your instructor know about any specific challenges or technology limitations that might affect your participation in class. College of the Redwoods wants every student to be successful.

The following online resources are available to support your success as a student:

- CR-Online (Comprehensive information for online students)
- Library Articles & Databases
- Canvas help and tutorials
- Online Student Handbook
- Online Tutoring Resources

To learn more about the resources available to you, click on a title bar below, or click the down arrow to expand them all.

Klamath-Trinity students can contact the CR KT Office for specific information about student support services at 530-625-4821

### **Community College Student Health and Wellness**

If you are in distress or are with someone at risk right now, call the National Suicide Prevention Lifeline at 1-800-273-TALK (8255) or TEXT 741-741

#### Timely Care

When you're feeling under the weather physically or distressed mentally, you can find the help you're looking for in just a few quick taps. Students can schedule an appointment anytime via phone, video, and chat. Visit TimelyCARE here

#### Mental Health Counseling

Students should text, email, or fax Shawna Bell directly for scheduling and/or services.

Contact info

Text: 707-496-2856

Email: shawnabmft@gmail.com

Fax: 707-237-2318 (voicemail can be left via fax)

#### Wellness Central

Resources, tools, and trainings regarding health, mental health, wellness, basic needs and more designed for California community college students, faculty and staff are available on the California Community Colleges <u>Wellness Central</u>.

#### Counseling

<u>Counseling & Advising</u> can assist students in need of academic advising and professional counseling services. Visit the Welcome Center in the lower level of the student services building Monday –Friday 9am – 4pm (during the semester, summer hours may vary).

#### **Basic Needs Center**

<u>The Basic Needs Center</u> provides for the health and safety of students by providing access to healthy food, financial resources, and referrals to safe and secure housing. Students can submit a request for services and information <u>here.</u>

Contact info

Phone: 707-476-4153

Email: the-grove@redwoods.edu

#### **Learning Resource Center**

Learning Resource Center includes the following resources for students

- <u>Library Services</u> to promote information literacy and provide organized information resources.
- Multicultural & Diversity Center

- Academic Support Center offers tutoring and test proctoring for CR students.
- <u>Student Tech Help</u> provides students with assistance around a variety of tech problems.

#### **EOPS**

<u>Extended Opportunity Programs & Services (EOPS)Links to an external site.</u> provides services to eligible income disadvantaged students including: textbook awards, grants, career academic and personal counseling, transportation assistance, tutoring, laptop, calculator and textbook loans, priority registration, graduation cap and gown, workshops, and more!

## **TRiO Student Success Program**

The TRiO Student Support Services Program provides eligible students with a variety of services including academic advising, career assessments, assistance with transfer, and peer mentoring. Students can apply for the program in <u>Eureka</u> or in <u>Del Norte</u>.

#### **Veterans Resource Center**

The <u>Veteran's Resource Center</u> supports and facilitates academic success for Active Duty Military, Veterans and Dependents attending CR through relational advising, mentorship, transitional assistance, and coordination of military and Veteran-specific resources.

### **CalWORKS**

CalWORKs – California Work Opportunity & Responsibility to Kids (CalWORKs). Provides supportive services to student parents with children under the age of 18, who are receiving cash assistance (TANF **benefits**), to become self-sufficient. Services include: transportation assistance, basic student supplies, tutoring, priority registration, laptop and calculator loans, career, academic, and personal counseling, and more!

## **Evaluation & Grading Policy**

#### **COURSE REQUIREMENTS**

#### 1. & 2. Assigned and Free Choice Projects (40%)

The planning for your free choice project must start right away. The main focus of this course is furniture construction. To get the most out of the lectures you should try to include the assignments into your free choice project. Plan to complete the required projects during the semester. Free choice projects require that you turn in a working drawing, Bill of Material, and Plan of Procedure for review with instructor before starting projects.

The required assignments are listed below. You may incorporate several of the assignments into your free choice project, or they may be done on scrap wood and turned in for a grade. To get the most out of the lectures the assigned projects should be completed following the lecture.

- 1. Sharpen and fine-tune a hand plane.
- 2. Construct mortise and tenon joinery on a leg and apron.
- 3. Create a cove using the table saw.
- 4. Build a drawer with dovetail joinery using the router.
- 5. Produce cabriole leg, ogee bracket foot or bandsawn box using the bandsaw.

- 6. Make a mortising template or patterning template to use as a router guide.
- 7. Turn a cylinder, taper, and bead on the wood lathe, sharpen a lathe tool.
- 8. Make a shop aid or jig useful to your future needs.
- 9. Apply a clear wood finish to a project.
- 10. Review an article from Fine Woodworking Magazine, write and submit an abstract.

Involve your instructor in the planning of your project. He can help you plan for the proper materials and sequence of work. If the project is already planned go over the plans with your instructor prior to beginning. A word of advice: a simple project well executed will provide a greater sense of accomplishment than a large complex project whose results are a bit "lumpy".

#### 3. Clean up (10%)

Everyone is expected to clean up after themselves. Please spend 15 minutes each class helping to keep the shop clean and orderly. The instructor views clean-up as a safety issue that all students need to be involved in.

#### 4. Work Habits: including on-time Attendance and Participation (20%)

Developing good work habits is one of the objectives of any vocational course. Just as you would at a job, arrive at class on time, and ready to work. Work together with your classmates, develop a safety attitude and put in a good effort each time you attend class.

Note: Please "check out" with the instructor prior to leaving.

#### 5. Homework (15%)

Homework for this course will consist primarily of textbook reading assignments and questions from the lecture syllabus. The textbook for this course is very readable as well as a

#### 6. Tests and Quizzes (10%)

Each student is required to attend a safety lecture and complete a safety test prior to using the tools and machinery in the C.R. woodshop.

#### 7. Final Assessment (5%)

Students in all classes are expected to attend and participate in the final assessment that is held at the end of each semester. Each student is expected to present their project to the class. Prior arrangements must be made with the instructor if for any reason you are unable to attend the final.

A Non-emergency excuse for absence on final day results in loss of one full course grade.

### Final Exam: Monday May 6<sup>th</sup>, 2024 6:00 - 8:00 pm

Students in all classes are expected to attend and participate in the final assessment at the end of the semester. This includes a project review and written final. <u>Prior arrangements must be made with the instructor if for any reason you are unable to attend the final.</u> **Non-emergency excuse for absence on final day results in loss of one full course grade** 

<u>Grading/Evaluation</u>: Grades are part of the teaching and learning process. Keep in mind that you earn grades; I do not "give" them to you. I will assess your work according to how well it meets class objectives, fulfills requirements, meets the assignment rubric, and reflects the academic skills expected of college students. It is your responsibility to understand why you have achieved a certain grade and what steps you can take to maintain or improve your grade. Please feel free to consult with me using

email or office visits. However, I will ask that, prior to speaking with me about your grade, you wait at least one day so you may carefully review the assignment and the grading rubric in order to clearly present your concerns to me.

Course Assessment: Student success in CT- 21B will be assessed in the following areas:

Grading Criteria	Available Points		
1. Manipulative Assignments	= 400	100% - 93%	= A
Excellent			
2. Participation	= 300	92% - 90%	= A-
Clean up (100)		89% - 87%	= B+
Work Habits (200)		86% - 83%	= B
4. Homework	= 150	82% - 80%	= B-
5. Tests, Quizzes, Report	= 100	79% - 77%	= C+
6. Final Assessment	= 50	76% - 70%	= C
		69% - 66%	= D
Total	1000		

## **Student Feedback Policy**

Timely feedback is important, I strive to return graded material as soon as possible. Feedback regarding course performance, homework, and manipulative assignments may be discussed during my office hours or by appointment. Your achievements and points earned on projects will be recorded on the Canvas LMS. Homework and written assignments have recommended completion dates that correspond to each relevant lecture. It is highly recommended that woodworking students complete their assignments before the due date listed on Canvas. Written homework may be submitted up to two weeks after the assigned date for full credit. Woodworking requires cumulative learning and practice; therefore, manipulative assignments may be repeated as necessary to improve your score. I will grade and return these projects as quickly as I can.

All feedback is aimed to be delivered in a timely manner and with constructive intent.

### **GENERAL INFORMATION**

<u>Safety:</u> Lab safety and coworker safety are your top priorities as a student woodworker. In addition to machine specific safety rules, always keep in mind the following rules, and work toward developing a **safety attitude.** 

- Wear safety glasses at all times.
- Use all the safety guards and other safety devices.
- Have the instructor check your special setups.
- Do not work with any tools or machinery unless the instructor is present.
- Do not work if you are intoxicated or under the influence of drugs.
- Report all accidents and injuries to the instructor immediately.

#### **Student Code of Conduct Standards**

All College of the Redwoods students are encouraged to familiarize themselves with, and conform to, college rules and regulations governing personal conduct on all campuses of the district as set forth in the current college catalog.

#### **Electronic Devices**

Do not answer your phone or engage in texting, gaming, or surfing the web during class time. Ear buds, wired headphones are prohibited—they are a safety hazard.

#### **General Guidelines**

Do not come to class stoned, drunk, or otherwise chemically compromised. If you do, I will ask you to leave. The wood lab is inherently dangerous and is no place to be in an altered state of mind. If you have a medical condition or are using medication prescribed by a physician that may affect your ability to function in the lab please discuss this with me.

#### COVID-19

It is the intent of CR and your instructors to provide a safe, clean, Covid-free learning environment for you. If you feel that your health may have been compromised in any way, please contact your instructor immediately via email or phone. Please do not attend class if you feel sick or suspect an illness of any type. We must be considerate of the heath of those around us.

It is recommended that you provide your own small, regularly used hand tools such as pencils, tape measure, chisels, etc. The fewer items we share the less likely we are to share our germs. Each student will be provided with a storage tub to secure their tools, personal items, and small projects so that they are not handled by others.

**NOTE:** You may be withdrawn from this course for non-participation if you miss three class meetings or three manipulative assignments. Your instructor may drop you after the census date and prior to the 10<sup>th</sup> week of the term for non-participation.

**CAVEAT**: The schedule and procedures for this course are subject to change in the event of extenuating circumstances.

## Admissions deadlines & enrollment policies

### Spring 2024 Dates

January 12	Last day to register for classes (day before the first class meeting)
January 13	Classes begin
January 15	Martin Luther King, Jr.'s Birthday Holiday (District-wide closure)
January 19	Last day to add a class
January 26	Last day to drop without a "W" and receive a refund
January 29	Census Date (20% of class)
February 16	Lincoln's Birthday Holiday (District-wide closure)
February 19	President's Day Holiday (District-wide closure)
March 7	Last day to petition to graduate
March 29	Last day for student initiated withdrawal (62.5% of class)
March 29	Last day for faculty initiated withdrawal (62.5% of class)

March 11-16	Spring break (no classes)
April 1	District-wide closure (Cesar Chavez Day).
May 4-10	Final Examinations
May 10	Last day to file for P/NP Option
May 10	Semester Ends
May 17	Grades due
May 24	Grades available

## **Academic dishonesty**

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct (AP 5500) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the College Catalog and on the College of the Redwoods website.

## **AI Use Class Policy**

Recent advancements in generative artificial intelligence (AI) have made large language models such as ChatGPT and Google's Bard widely available. However, overuse of these tools in this class can undermine your learning and curtail the development of your critical and creative thinking skills. In addition, AI outputs are often unreliable and frequently subject to bias. For these reasons, the policy of this class is that AI cannot be used at any point in the completion of class assignments, including discussion posts. Any or all of your assignment submissions and discussion posts may be screened by AI detection software, but the real penalty for AI misuse is that you will miss out on an opportunity to learn.

# **Disruptive behavior**

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process, a disruptive student may be temporarily removed from class. In addition, the student may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct (AP 5500) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the College Catalog and on the College of the Redwoods website.

## **Inclusive Language in the Classroom**

College of the Redwoods aspires to create a learning environment in which all people feel comfortable in contributing their perspectives to classroom discussions. It therefore encourages instructors and students to use language that is inclusive and respectful.

## **Setting Your Preferred Name in Canvas**

Students have the ability to have an alternate first name and pronouns to appear in Canvas. Contact Admissions & Records to request a change to your preferred first name and pronoun. Your Preferred Name will only be listed in Canvas. This does not change your legal name in our records. See the Student Information Update form.

#### **Canvas Information**

If using Canvas, include navigation instructions, tech support information, what Canvas is used for, and your expectation for how regularly students should check Canvas for your class.

Log into Canvas at <a href="https://redwoods.instructure.com">https://redwoods.instructure.com</a>

Password is your 8 digit birth date

For tech help, email its@redwoods.edu or call 707-476-4160

Canvas Help for students: <a href="https://www.redwoods.edu/online/Help-Student">https://www.redwoods.edu/online/Help-Student</a>

Canvas online orientation workshop: https://www.redwoods.edu/online/Home/Student-

Resources/Canvas-Resources

## **Community College Student Health and Wellness**

Resources, tools, and trainings regarding health, mental health, wellness, basic needs and more designed for California community college students, faculty and staff are available on the California Community Colleges Health & Wellness website.

<u>Wellness Central</u> is a free online health and wellness resource that is available 24/7 in your space at your pace.

Students seeking to request a counseling appointment for academic advising or general counseling can email <a href="mailto:counseling@redwoods.edu">counseling@redwoods.edu</a>.

# **Emergency procedures / Everbridge**

College of the Redwoods has implemented an emergency alert system called Everbridge. In the event of an emergency on campus you will receive an alert through your personal email and/or phones. Registration is not necessary in order to receive emergency alerts. Check to make sure your contact information is up-to-date by logging into WebAdvisor <a href="https://webadvisor.redwoods.edu">https://webadvisor.redwoods.edu</a> and selecting 'Students' then 'Academic Profile' then 'Current Information Update.'

Please contact Public Safety at 707-476-4112 or <u>security@redwoods.edu</u> if you have any questions. For more information see the <u>Redwoods Public Safety Page</u>.

In an emergency that requires an evacuation of the building anywhere in the District:

- Be aware of all marked exits from your area and building
- Once outside, move to the nearest evacuation point outside your building

Keep streets and walkways clear for emergency vehicles and personnel

Do not leave campus, unless it has been deemed safe by the campus authorities.

## **Eureka Campus Emergency Procedures**

Please review the <u>campus emergency map</u> for evacuation sites, including the closest site to this classroom (posted by the exit of each room). For more information on Public Safety go to the <u>Redwoods Public Safety Page</u> It is the responsibility of College of the Redwoods to protect life and property from the effects of emergencies within its own jurisdiction.

In the event of an emergency:

- 1. Evaluate the impact the emergency has on your activity/operation and take appropriate action.
- 2. Dial 911, to notify local agency support such as law enforcement or fire services.
- 3. Notify Public Safety 707-476-4111 and inform them of the situation, with as much relevant information as possible.
- 4. Public Safety shall relay threat information, warnings, and alerts through the Everbridge emergency alert system, Public address system, and when possible, updates on the college website, to ensure the school community is notified.
- 5. Follow established procedures for the specific emergency as outlined in the College of the Redwoods Emergency Procedure Booklet, (evacuation to a safe zone, shelter in place, lockdown, assist others if possible, cooperate with First Responders, etc.).
- 6. If safe to do so, notify key administrators, departments, and personnel.
- 7. Do not leave campus, unless it is necessary to preserve life and/or has been deemed safe by the person in command.
