Lecture Preparation

Students are to have read assigned chapters prior to arriving to lecture. The lecture activities assist the students in comprehending the content and preparing for the clinical setting.

Lecture Examinations

All lecture examinations are administered at the beginning of class. The exam will consist of multiple choice, true/false, fill in the blank, short answer, and identification questions. Please refer to your course syllabus for exam times, dates, and chapters covered.

Work Readiness Points

To be successful in the workforce, students must develop skill sets and healthy work habits necessary for lasting employment.

Students are awarded five Pay Day Points for full participation in the activities and tasks assigned to each class session (lab and lecture), where all requirements, policies, and rules are followed as stated in the Program Handbook. Students begin the course with zero Pay Day Points. Pay Day points are a 5% portion of the course grade.

Students not participating in activities or tasks or not following requirements, policies, and rules or who are absent will not acquire any Pay Day Points for that class session(s). This includes those that are tardy or leave early. Additionally disciplinary action (as outlined in the Program Handbook) for the second, third, and fourth offense will affect the final course grade negatively.

Practical Competency

Students must earn a minimum of 75% on all RDA Skills Competency Activities to participate in the clinical setting. Students not meeting 75% or better will be required to remediate prior to participating in the clinical setting.
