Textbook & Other Materials

No need to buy a Textbook – OER Textbook provided in Canvas

Technology Requirements (computer, other hardware, and software)

You don't have to be a computer wizard to enroll and succeed in online courses but should have up to date computer skills which include the ability to create and edit files in Microsoft word and PowerPoint, navigate the Internet to read text and watch videos and be able to communicate effectively in discussion forums.

You should have access to a newer computer (PC or Mac) with a fast, reliable Internet connection and adequate up-to-date software (Microsoft Word, Adobe Acrobat, Mozilla Firefox or Internet Explorer). Word Processing and Graphing Software - You may need Microsoft Word (or a compatible word processing program) for writing assignments in the class. You might also need Microsoft Excel (or a compatible spreadsheet program) to create graphs in this class. But we have good news! All students at CR have access to Office 365 (Word, PowerPoint, Excel, and OneNote) free with a valid @mycr.redwoods.edu email account. Go to <https://office.com/getoffice365> (Links to an external site.) (Links to an external site.) to get started. (There are also free options for tools like this, such as [Google docs](#) (Links to an external site.) (Links to an external site.) or [OfficeLibre](#). (Links to an external site.) (Links to an external site.) Google docs requires a gmail account, which your mycr email actually is.

You should have high-speed internet (such as broadband) service from cable, DSL, or satellite providers as there are videos that require this speed. You need to have reliable access to the internet for the duration of the course.

Portable Devices vs. Computers: Although you can use late-model portable devices (such as Android or iOS phones & tablets) for some things, you should plan on doing the majority of your work (especially exams and assignments) from a reasonably late-model notebook or desktop computer (Mac or PC).

Do NOT plan to participate in this class solely from a portable device.

If you do decide to use your portable device for *some* of your class work, use the free Canvas app (called “Canvas by Instructure”) available in iTunes (for iOS) and the Google Play Store (for Android). Do not try to connect to Canvas using a web browser on a portable device. Your experience with Canvas will be a lot better using the app.

Webcam: You may need to be able to record photos/videos of yourself or your work for this class. Many computers have a built-in webcam. If yours does not, you will need to purchase (or borrow) a webcam. There are inexpensive options available that plug into a USB port. (You may also be able to use your tablet/phone for this.)

Netiquette

Please be Polite. In an online environment, this is called **netiquette**. Sometimes it is difficult to convey nuance or humor through written (electronic) communication. Just be respectful to your classmates and be kind, considerate, and forgiving in all of your posts in the discussion forums. Adhere to the same standards of behavior online that you follow in real life, because you don’t want to forget: Real humans read your posts. After all, our Canvas space is our classroom, and we want to create a positive, collaborative, interesting community. To learn more about netiquette, read [10 Netiquette Guidelines Online Students Need to Know](#) (Links to an external site.) (Links to an external site.).

Accessibility

College of the Redwoods is committed to making reasonable accommodations for qualified students with disabilities. If you have a disability or believe you might benefit from disability-related services and accommodations, please contact your instructor or [Disability Services and Programs for Students](#) (DSPS). Students may make requests for alternative media by contacting DSPS based on their campus location:

- Eureka: 707-476-4280, student services building, 1st floor
- Del Norte: 707-465-2324, main building near library
- Klamath-Trinity: 530-625-4821 Ext 103

If you are taking online classes DSPS will email approved accommodations for distance education classes to your instructor. In the case of face-to-face instruction, please present your written accommodation request to your instructor at least one week before the needed accommodation so that necessary arrangements can be made. Last minute arrangements or post-test adjustments usually cannot be accommodated.

Student Support

Good information and clear communication about your needs will help you be successful. Please let your instructor know about any specific challenges or technology limitations that might affect your participation in class. College of the Redwoods wants every student to be successful.

Grade Calculations

Your final grade will be based on the total points you have earned throughout the semester. After each assignment is graded your point value will be posted into the Canvas grade book. You will be able to keep track of your total points throughout the semester at the course Canvas site. Grading rubrics are available for each weekly forum. (For more refer to the Canvas help menu.)

Points can only be earned by completing the above assignments by the deadline. There will be no extra credit available.

A grade of "C" is considered "satisfactory, a "B" is good and an "A" is excellent.

My grading criteria is based on the belief that meeting the basic assignment criteria is satisfactory so a "C". To earn a grade higher a student must reach beyond the basics and do more than the basic assignment criteria.

An excellent student demonstrates initiative. The difference between doing what is spelled out in the assignment and thinking about how to deepen the assignment what demonstrates excellence. By taking it to the next level you are demonstrating your advanced leaning and commitment to excelling.

Assignments are due by 11:59 P.M. on the due date given. Late assignments are accepted for up to two weeks after the due date (except assignments due within two weeks of the end of the semester) but will be graded down a full letter grade for each week or portion of a week. After two weeks' assignments, will not be accepted.

Course Grade* 94 to 100 = A

90 to 93.99 = A-

86 to 89.99 = B+

83 to 85.99 = B

80 to 82.99 = B-

76 to 79.99 = C+

70 to 75.99 = C

60 to 69.99 = D*

0 to 59.99 = F

*Please remember that Community Care Licensing and the Commission on Teacher Credentialing only accept grades of "C" or better. Although a "D" grade is considered passing, it will not meet the requirements to be a fully qualified Title 22 program director or to earn a child development permit.

Students may be dropped from the course at the faculty's discretion if you have failed to log into the course and submit assignments or post into the discussion forums for over two weeks or if the points

attained indicate that you are failing the class. Please reach out to me if you have a situation where you are not able to participate on a regular basis due to a documentable reason and I will work with you to find a solution.

In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process, a disruptive student may be temporarily removed from class. In addition, the student may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website.
