## Grade Calculations

Discussions will make up 40% of your grade

Quizzes will make up 20% of your grade

Assignments will make up 40% of your grade

Your final grade will be based on the total points you have earned throughout the semester. After each assignment is graded your point value will be posted into the Canvas grade book. You will be able to keep track of your total points throughout the semester at the course Canvas site.

**Points can only be earned by completing the above assignments by the deadline**

A grade of "C" is considered "satisfactory, a "B" is good and an "A" is excellent.

My grading criteria is based on the belief that meeting the basic assignment criteria is satisfactory so a "C". To earn a grade higher a student must reach beyond the basics and do more than the basic assignment criteria.

An excellent student demonstrates initiative. The difference between doing what is spelled out in the assignment and thinking about how to deepen the assignment what demonstrates excellence. By taking it to the next level you are demonstrating your advanced leaning and commitment to excelling.

Assignments are due by 11:59 P.M. on the due date given.

Late assignments are accepted for up to the "accept until" time as posted in Canvas.

Course Grade\* 94 to 100 = A

90 to 93.99 = A-

86 to 89.99 = B+

83 to 85.99 = B

80 to 82.99 = B-

76 to 79.99 = C+

70 to 75.99 = C

60 to 69.99 = D\*

0 to 59.99 = F

**\*Please remember that Community Care Licensing and the Commission on Teacher Credentialing only accept grades of "C" or better.** Although a "D" grade is considered passing, it will not meet the requirements to be a fully qualified Title 22 program director or to earn a child development permit. Students may be dropped from the course at the faculty's discretion if you have failed to log into the course

and submit assignments or post into the discussion forums for over two weeks or if the points attained indicate that you are failing the class. Please reach out to me if you have a situation where you are not able to participate on a regular basis due to a documentable reason and I will work with you to find a solution.

## Academic dishonesty

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [2024-2025 College Catalog](#) and [CR Board and Administrative Policies](#).

## AI Use Class Policy

**Written with help from AI – \***

Advancements in generative AI, like ChatGPT and Google's Bard, offer tools that can aid learning but may hinder critical and creative thinking if overused. AI outputs can be unreliable and biased.

In this ECE class, you can use AI to help you learn and write. However, you must be transparent with this!

**Therefore, disclose any use of AI at the beginning of your writing for this class.** Like I did above \* (**Written with AI**)-

You are responsible for the content you submit, so review AI-generated outputs for accuracy, bias, appropriateness, and alignment with your perspective.

**We as CR instructors have tools to detect AI use in your submitted assignments. Please disclose any AI assistance used.**
