Student feedback policy

I will access the class website regularly and respond to posted questions and messages generally within 48 hours of receipt. If for some reasons, I miss your message, send me another within 24 hours and I will definitely see it. Additionally, I read and provide general and sometimes specific feedback to discussion forum posts by the end of the week after they are due. I do not respond to emails on the weekend. Please expect a response back on Monday. There is also regular instructor-based communication with weekly announcements and emails/messages to students who have messaged me through the Canvas messaging system. I will give you detailed feedback on your term paper assignment by two weeks after it is due.

Exams

You will need to take a open-book, open notes, multiple choice final within the Canvas system (it will appear the same as your weekly quizzes) during finals week.

Policies for this Class

Class participation and Attendance policy.

Student-initiated withdrawal may occur by 09/03/2021 with nothing recorded in the student transcripts and receive a refund. After that point, a "W" will be recorded on your transcript. Administrative procedure (AP 5075) allows instructors to withdraw students from class for non-participation through the 10th week of class. I will drop you from the course if you fail to turn in any of the term paper assignments or if you do not participate in and pass (70%) the Syllabus/Canvas quiz in week 1. You will get one email warning that you have violated the drop policy. And, if you do not respond by continuing to submit assignments in a timely manner as per my discretion, you will be dropped from the course. I am very strict about this policy and there are no exceptions to it. Please contact me with any questions as this is very important information.

Communication Guidelines

Personal questions should be communicated with Messages (Help) in Canvas. Please do not send me an email, rather, as previously stated please send me a message in Canvas to discuss personal matters. It is much easier and quicker for me to you respond to you through Canvas as I check Canvas more frequently. I will also post a discussion forum for you to discuss aspects of the course with your fellow students. However, I may not check that very frequently as it is for student discussion primarily. Again, any questions you have, please message me in

Canvas. If the message affects some or many students, say for example you notice an issue with the quiz, I will make sure to post an announcement for the entire class to read.

Netiquette: Please be respectful to your classmates. Be kind and professional in all of your postings and responses to the discussion forum. Adhere to the same standards of behavior online that you follow in a face to face class room. Inappropriate comments within the discussion forums could result in losing credit for participation during that week's discussion forum as well as being dropped from the course.

Regular and effective contact

I will access the class website regularly and respond to posted questions and messages generally within 48 hours of receipt. If for some reasons, I miss your message, send me another within 24 hours and I will definitely see it. Additionally, I read and provide feedback to each student's discussion forum posts by the end of the week after they are due. There is also regular instructor-based communication with weekly announcements and emails/messages to students who have messaged me through the Canvas messaging system. I will give you detailed feedback on your term paper assignments by two weeks after they are due. Further, I have provided videos which I recorded myself of some important information for each weeks' readings. Lastly, I am available for office hours by appointment in zoom.

FY!!!! I do not accept late work.

Class schedule

The class schedule is available in Canvas.

Evaluation process

Course Assignments: Every Sunday, the week's assignments will be listed in announcements and posted in the Modules section of Canvas. You will complete them under the specific weekly module. The weekly assignments will typically require you to read textbook chapters, review online power point slides, watch course material videos, participate in discussion forums, and complete chapter quizzes. Several weeks will require a written exam (1 exam) or term paper assignment submissions.

Canvas Quizzes: (25% of your final grade) These will be multiple choice in their format and contain 15-20 multiple choice questions. Unless otherwise noted, there will be Canvas quizzes due every Sunday night at 11:45pm. You will be allowed 3 attempts at the quiz before it is graded. The quizzes will remain open to view and study from for the final but please do not submit them after their due date. I will drop your lowest two quiz scores as extra credit assistance.

Discussion forums: (25% of your final grade). Each week, I will post questions to the discussion forum. Students will respond to the question and based on the answer, I will provide a grade for the response. A rubric is attached to the discussion forum assignments. There will be several questions each week. You need to provide a unique response to each question. Questions are meant for you to think and ponder various aspects of the course discussed in the text for that week. You may need to do an internet search to find unique answers or because the question requires a little research as occasionally additional information may be required. I will drop your lowest discussion forum week score (1 week of discussion forum). I urge you to look at the discussion forum questions early in the week to avoid it being challenging to find a unique response, one that is different than another

student's response or perspective. I also will provide extra credit to students that work to assist other students by providing meaningful feedback. More details on discussion forums in each discussion forum assignment.

Term Paper: (25% of your final grade.) More details will follow in the modules of this course with instructions on the term paper assignment. You will be required to submit the **pro (10%) OR con (10%) section** before submitting the final draft to me (15%). Due dates are in the modules section of the course.

Final Exam: (25% of your final grade.) You will need to take a open-book, open notes, multiple choice final within the Canvas system (it will appear the same as your weekly quizzes). It is cumulative of all material covered in the course.

Grading policy

Grading Criteria: "A=93% and above, A-=90-92%, B+=88-89%, B=83-87, B-=80-82%, C+=78-79%, C=70-77%, D=69-60%, F=59% and below

Proctoring

You will need to take an open-book, open notes, multiple choice final within the Canvas system (it will appear the same as your weekly quizzes). The exam is NOT currently proctored.

Academic dishonesty

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500 \(https://go.boarddocs.com/ca/redwoods/Board.nsf/Public?open&id=policies\)](https://go.boarddocs.com/ca/redwoods/Board.nsf/Public?open&id=policies)) is available on the College of the Redwoods website. Disruptive behavior

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include, but is not limited to: unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally abusive behavior. In such cases

where the instructor determines that a student has disrupted the educational process, a disruptive student may be temporarily removed from class. In addition, the student may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#) [_ \(https://go.boarddocs.com/ca/redwoods/Board.nsf/Public?open&id=policies\)](https://go.boarddocs.com/ca/redwoods/Board.nsf/Public?open&id=policies)_) is available on the College of the Redwoods website.
