Inclusive Language in the Classroom

College of the Redwoods aspires to create a learning environment in which all people feel comfortable in contributing their perspectives to classroom discussions. It therefore encourages instructors and students to use language that is inclusive and respectful.

DEIA+A Commitment Statement

Each of us is responsible for creating and maintaining inclusive environments. Inclusive environments require us to work to identify, examine, and limit the ways our implicit social biases impact our actions. Learning can happen when diversity and individual differences are understood, respected, appreciated & recognized as a source of strength, benefit and resource. Incidents of bias, discrimination, and microaggressions do occur, whether intentional or unintentional. These things contribute to creating unwelcoming environments for individuals and groups at our college. CR encourages anyone who experiences or observes environments at our college that become unfair or hostile on the basis of peoples' identities to speak out for justice and support. Speaking out can take place within the moment of the incident or after the incident has passed. Anyone can share these experiences with a trusted CR faculty/staff/administrator, or by using the following CR resources: [Unlawful Discrimination Complaint Form](#)  <https://www.redwoods.edu/Students/Student-Complaint-Process.html#UDC>); [Non-Academic Complaint](#)  <https://www.redwoods.edu/Students/Student-Complaint-Process.html#NAC>); [Title IX](#)  <https://www.redwoods.edu/student-services/Home/Title-IX.html>); [Grade Change](#)  <https://www.redwoods.edu/Students/Student-Complaint-Process.html#GCC>.
