

## Course Information

Semester & Year: Spring 2022

Course ID & Section #: MT-52-E3124

Instructor's name: Mike Peterson

Day / Time: Mondays and Wednesdays / 6:05 PM to 8:40 PM

Locations: Lecture AT127 at 6:05 PM / Laboratory AT133 at 7:15 PM

Number of units: 3.0

## Instructor Contact Information

Office location: AT122

Office hours: Mondays and Wednesdays 3:00 to 4:00 PM, and by appointment.

Phone number: (707) 476-4350

Email address: [mike-peterson@redwoods.edu](mailto:mike-peterson@redwoods.edu)

This class has a Canvas Inbox Messaging system, please contact me there as our primary method of remote communication.

## Catalog Description

A course in ferrous and nonferrous metals as related to industry. Students will study metals from the ore state to manufactured products. Iron-carbon and time temperature transformation diagrams will also be covered. The course includes coordinated lab experience in specimen heat treating, tensile testing, and microscopic examination. In addition, other materials of industry will be discussed.

## Course Student Learning Outcomes

1. Explain the terms and processes of ferrous and nonferrous metals as well as the use of other materials of modern industry.
2. Set up, run, and document tensile strength tests, the Metcalf's experiment, and microscopic examination of polished, etched metal specimens.

## Prerequisites/Co-Requisites/Recommended Preparation

This course has no prerequisite.

## Required Materials

Textbook title: Metallurgy Fundamentals

Edition: 6th

Author: Brandt, Warner

ISBN: 9781635638745

Other requirements: Safety glasses and sturdy shoes.

## Accessibility

College of the Redwoods is committed to making reasonable accommodations for qualified students with disabilities. If you have a disability or believe you might benefit from disability-related services and accommodations, please contact your instructor or [Disability Services and Programs for Students](#) (DSPS). Students may make requests for alternative media by contacting DSPS based on their campus location:

- Eureka: 707-476-4280, student services building, 1<sup>st</sup> floor
- Del Norte: 707-465-2324, main building near library
- Klamath-Trinity: 530-625-4821 Ext 103

If you are taking online classes DSPS will email approved accommodations for distance education classes to your instructor. In the case of face-to-face instruction, please present your written accommodation request to your instructor at least one week before the needed accommodation so that necessary arrangements can be made. Last minute arrangements or post-test adjustments usually cannot be accommodated.

## **Student Support**

Good information and clear communication about your needs will help you be successful. Please let your instructor know about any specific challenges or technology limitations that might affect your participation in class. College of the Redwoods wants every student to be successful.

## **Evaluation & Grading Policy**

Your final grade for the course will be based on the following criteria:

1. Laboratory Assignments	30%
2. Laboratory Activities	5%
3. Research Project	5%
4. Presentation of Research	5%
5. Quizzes and Written Assignments	5%
6. Four Examinations (10% each)	40%
7. Final Examination	10%

Details for each of these criteria will be provided on additional course documents.

Grades will be assigned according to these percentages:

A = 90 – 100%

B = 80 – 89%

C = 70 – 79%

D = 60 – 69%

F = 0 – 59%

## **Class Schedule**

All course meeting dates are detailed in a separate document titled *Schedule Document for MT-52 Spring 2022.pdf*.

## **Classroom and Laboratory Policies**

All COVID-19 related protocols and policies will be enforced in this class. In addition, the following policies will be in effect for this class.

1. Students are expected to follow the College of the Redwoods Student Code of Conduct Standards. Please review the Student Code of Conduct in the CR catalog or on the CR website.
2. When the machine laboratory is operating, safety glasses are required in the machine room and must be always worn by everyone, regardless of their proximity to running machines.
3. Sturdy shoes are required and must always be worn in the machine laboratory. No open-toe shoes will be allowed.
4. Playing music and/or radio type programming on speakers out loud is prohibited for safety concerns. In the laboratory, good safety practices recommend not using earphones or earbuds to listen to music or radio programming while operating machines.
5. All personal injuries in the classroom or laboratory must be reported to the instructor immediately.

6. Report any unsafe conditions immediately to the instructor.
7. Food and beverages will not be consumed in the classroom or laboratory; college policy prevents you from removing your face covering indoors. We will take frequent breaks, feel free to take a moment outside as needed.
8. Parking in the fenced yard behind the laboratory is for short-term loading and unloading, and staff vehicles only.
9. Laboratory work must be approved by the instructor prior to starting any project.

## **Final Examination**

The final examination for this class will occur on Monday, May 9, 2021, from 5:30 PM to 7:30 PM.

## **Admissions Deadlines & Enrollment Policies**

### **Spring 2022 Dates**

- *Classes begin: January 15, 2022*
- *Last day to add a class: January 21, 2022*
- *Martin Luther King, Jr's Birthday (all campuses closed): January 17, 2022*
- *Last day to drop without a W and receive a refund: January 28, 2022*
- *Census date (or 20% into class duration): January 31, 2022*
- *Last Day to file P/NP (only courses where this is an option): February 11, 2022*
- *Lincoln's Birthday (all campuses closed): February 18, 2022*
- *Presidents Day (all campuses closed): February 21, 2022*
- *Last day to petition to graduate or apply for certificate: March 3, 2022*
- *Spring Break (no classes): March 14 through March 19, 2022*
- *Last day for student-initiated W (no refund): April 1, 2022*
- *Last day for faculty-initiated W (no refund): April 1, 2022*
- *Final examinations: May 7 through May 13, 2022*
- *Semester ends: May 13, 2022*
- *Grades available for transcript release: approximately May 30, 2022*

## **Academic Dishonesty**

In the academic community, the high value placed on truth implies a corresponding intolerance of scholastic dishonesty. In cases involving academic dishonesty, determination of the grade and of the student's status in the course is left primarily to the discretion of the faculty member. In such cases, where the instructor determines that a student has demonstrated academic dishonesty, the student may receive a failing grade for the assignment and/or exam and may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

## **Disruptive Behavior**

Student behavior or speech that disrupts the instructional setting will not be tolerated. Disruptive conduct may include but is not limited to unwarranted interruptions; failure to adhere to instructor's directions; vulgar or obscene language; slurs or other forms of intimidation; and physically or verbally

abusive behavior. In such cases where the instructor determines that a student has disrupted the educational process, a disruptive student may be temporarily removed from class. In addition, the student may be reported to the Chief Student Services Officer or designee. The Student Code of Conduct ([AP 5500](#)) is available on the College of the Redwoods website. Additional information about the rights and responsibilities of students, Board policies, and administrative procedures is located in the [College Catalog](#) and on the [College of the Redwoods website](#).

## **Inclusive Language in the Classroom**

College of the Redwoods aspires to create a learning environment in which all people feel comfortable in contributing their perspectives to classroom discussions. It therefore encourages instructors and students to use language that is inclusive and respectful.

## **Setting Your Preferred Name in Canvas**

Students can have an alternate first name and pronouns to appear in Canvas. Contact [Admissions & Records](#) to request a change to your preferred first name and pronoun. Your Preferred Name will only be listed in Canvas. This does not change your legal name in our records. See the [Student Information Update form](#).

## **Canvas Information**

If using Canvas, include navigation instructions, tech support information, what Canvas is used for, and your expectation for how regularly students should check Canvas for your class.

Log into Canvas at <https://redwoods.instructure.com>

Password is your 8 digit birth date

For tech help, email [its@redwoods.edu](mailto:its@redwoods.edu) or call 707-476-4160

Canvas Help for students: <https://webapps.redwoods.edu/tutorial/>

Canvas online orientation workshop: [Canvas Student Orientation Course \(instructure.com\)](#)

## **Community College Student Health and Wellness**

Resources, tools, and trainings regarding health, mental health, wellness, basic needs and more designed for California community college students, faculty and staff are available on the California Community Colleges [Health & Wellness website](#).

[Wellness Central](#) is a free online health and wellness resource that is available 24/7 in your space at your pace.

Students seeking to request a counseling appointment for academic advising or general counseling can email [counseling@redwoods.edu](mailto:counseling@redwoods.edu).

## **Emergency Procedures / Everbridge**

College of the Redwoods has implemented an emergency alert system called Everbridge. In the event of an emergency on campus you will receive an alert through your personal email and/or phones.

Registration is not necessary to receive emergency alerts. Check to make sure your contact information is up to date by logging into WebAdvisor <https://webadvisor.redwoods.edu> and selecting 'Students' then 'Academic Profile' then 'Current Information Update.'

Please contact Public Safety at 707-476-4112 or [security@redwoods.edu](mailto:security@redwoods.edu) if you have any questions. For more information see the [Redwoods Public Safety Page](#).

In an emergency that requires an evacuation of the building anywhere in the District:

- Be aware of all marked exits from your area and building
- Once outside, move to the nearest evacuation point outside your building

- Keep streets and walkways clear for emergency vehicles and personnel
- Do not leave campus unless it has been deemed safe by the campus authorities.

## **Eureka Campus Emergency Procedures**

Please review the [campus emergency map](#) for evacuation sites, including the closest site to this classroom (posted by the exit of each room). For more information on Public Safety go to the [Redwoods Public Safety Page](#). It is the responsibility of College of the Redwoods to protect life and property from the effects of emergencies within its own jurisdiction.

In the event of an emergency:

1. Evaluate the impact the emergency has on your activity/operation and take appropriate action.
2. Dial 911, to notify local agency support such as law enforcement or fire services.
3. Notify Public Safety 707-476-4111 and inform them of the situation, with as much relevant information as possible.
4. Public Safety shall relay threat information, warnings, and alerts through the Everbridge emergency alert system, public address system, and when possible, updates on the college website, to ensure the school community is notified.
5. Follow established procedures for the specific emergency as outlined in the College of the Redwoods Emergency Procedure Booklet, (evacuation to a safe zone, shelter in place, lockdown, assist others, if possible, cooperate with First Responders, etc.).
6. If safe to do so, notify key administrators, departments, and personnel.
7. Do not leave campus unless it is necessary to preserve life and/or has been deemed safe by the person in command.

## **Student Support Services**

The following online resources are available to support your success as a student:

- [CR-Online](#) (Comprehensive information for online students)
- [Library Articles & Databases](#)
- [Canvas help and tutorials](#)
- [Online Student Handbook](#)

[Counseling](#) offers assistance to students in need of professional counseling services such as crisis counseling.

The Learning Resource Center includes the following resources for students:

- [Academic Support Center](#) for instructional support, tutoring, learning resources, and proctored exams. Includes the Math Lab & Drop-in Writing Center
- [Library Services](#) to promote information literacy and provide organized information resources.
- [Multicultural & Diversity Center](#)

Special programs are also available for eligible students include

- [Extended Opportunity Programs & Services \(EOPS\)](#) provides services to eligible income disadvantaged students including: textbook award, career academic and personal counseling, school supplies, transportation assistance, tutoring, laptop, calculator and textbook loans, priority registration, graduation cap and gown, workshops, and more!
- The TRiO Student Success Program provides eligible students with a variety of services including trips to 4-year universities, career assessments, and peer mentoring. Students can apply for the program in [Eureka](#) or in [Del Norte](#)

- The [Veteran's Resource Center](#) supports and facilitates academic success for Active-Duty Military, Veterans and Dependents attending CR through relational advising, mentorship, transitional assistance, and coordination of military and Veteran-specific resources.
- Klamath-Trinity students can contact the CR KT Office for specific information about student support services at 530-625-4821

### **Additional Information**

Thank you for enrolling in this course at College of the Redwoods. The most important people on the campus are the students. My classrooms and laboratories are safe environments for every student. If there is anything that I can do to help make your experience at the college better, please feel free to contact me with all questions or concerns. This syllabus document is subject to change.
