Catalog Description

This course is designed to focus on the fundamental, theory, and instruction to develop proficiency in intercollegiate rodeo events. National Intercollegiate Rodeo Association (NIRA) rules and policies will be taught and NIRA sanctioned competition will occur. Enrollment is limited to those qualified to compete in intercollegiate rodeo.

Note: Students are to supply their own animals for the events they will be participating in. Contact rodeo coach for additional information.

Course Student Learning Outcomes

- Demonstrate and execute professional handling of rodeo stock in each event (practice and competition).
- Perform safety protocol's and procedures (practice and competition) following National Intercollegiate Rodeo Association rules, District safety, and instructor guidelines.
- Analyze video and create goals for improvement.

Course Calendar

Evaluation and Grading Policy

Grading is based on practice attendance, participation, and event attendance/participation.

Prerequisites/corequisites/ recommended preparation

None.

Note: It is recommended to have previous rodeo experience through high school rodeo. If you have questions please contact the coach.

Educational Accessibility and Support

College of the Redwoods is committed to providing reasonable accommodations for qualified students who could benefit from additional educational support and services. You may qualify if you have a physical, mental, sensory, or intellectual condition which causes you to struggle academically, including but not limited to:

- Mental health conditions such as depression, anxiety, PTSD, or bipolar disorder
- Common ailments such as arthritis, asthma, diabetes, autoimmune disorders, and diseases
- Temporary impairments such as a broken bone, recovery from significant surgery, or a pregnancy-related disability
- Neurodevelopmental disorders such as a learning disability, intellectual disability, autism, acquired brain injury, or ADHD
- Vision, hearing, or mobility conditions

Available services include extended test time, quiet testing environments, academic assistance and tutoring through the [LIGHT Center](#), counseling and advising, alternate formats of course materials (e.g., audio books, braille, E-texts), assistive technology, learning disability assessments, approval for personal attendants, interpreters, priority registration, on-campus transportation, adaptive physical education and living skills courses, and more. If you believe you might benefit from disability- or health-related services and accommodations, please contact [Student Accessibility Support Services \(SASS\)](#). If you are unsure whether you qualify, please contact Student Accessibility Support Services (SASS) for a consultation: sass@redwoods.edu.
