The grading policy is simple for this course and only based on participation. To get participation for class, you are required to wear appropriate athletic clothing and shoes, stay for over half of the duration of class, participate in the lesson of the day, and communicate via canvas and/or email when you are going to be absent. If you are signing up for Pass/Fail OR a letter grade for PE-25 you get four absences before dropping down one letter grade for each absence after the fourth. I will offer some make-up assignments when necessary.
