

FINANCIAL AID ELIGIBLE ACADEMIC PROGRAMS/EDUCATIONAL GOALS

Federal regulations require students receiving federal student aid to be enrolled in and make progress toward an **eligible program and educational goal**. Refer to the lists below of Eligible Programs/Educational Goals and Ineligible Programs/Educational Goals.

If enrolled in an ineligible program OR educational goal, students are not eligible for most types of financial aid (grants, loans, work-study). However, if otherwise qualified, students in an ineligible program or educational goal may be eligible for a fee waiver.

ELIGIBLE PROGRAMS

All Associate Degrees (AA/AS/AS-T) are financial aid eligible programs (even though they are not listed below).

The certificate programs indicated below are also financial aid eligible programs. However, not all certificates are eligible (refer to the list of ineligible programs further below).
