

**CR STUDENTS** **If You are Approached by Immigration & Customs Enforcement (ICE) on Campus:**

Let them know that you are a student, that you do not wish to talk to them and that they should approach a school personnel member instead. Below are phrases you can say or show the card to the agent:

“I do not wish to speak with you, answer your questions, or sign or hand you any documents based on my 5th Amendment rights under the United States Constitution.”

“I do not give you permission to search any of my belongings based on my 4th Amendment rights.”

“I choose to exercise my constitutional rights.”
